Arts and Science

► queensu.ca/artsci/programs-and-degrees

Why Study Arts and Science at Queen's?

Arts and Science is an integrated faculty, with a strong sense of shared purpose. As a student, you benefit from the opportunity to choose from a variety of study options and to develop transdisciplinary skills that are highly valued by employers. Some students apply directly to our Fine Art, Kinesiology and Health Studies, Life Sciences and Biochemistry, Music and Music Theatre programs, most go into Arts or Science and declare their major before entering second year. While you settle into university life, you have the chance to explore and work with our faculty and advisors to uncover your real interests and opportunities for success. Sometimes that discovery happens quickly, and other times it takes some time before the "ah-ha!" happens! Either way, your first year will be a great experience!

Arts

From courses that explore ancient humour to ones that explore video production for digital media; to international opportunities such as studying Cuban Culture and Society in Cuba, or studying art and architecture at our annual Summer School in Venice; to career-focused experiential courses like the Queen's Archives Internship – the different ways you can obtain an Arts degree (BAH) from Queen's are as unique as you are.

Degrees

Bachelor of Arts, Honours (BAH)

*Also available at Bader College campus.
Can be combined with the QBridge Pathway.
Also available with Concurrent Education.*

Bachelor of Fine Art, Honours (BFAH)

Also available with Concurrent Education.

Bachelor of Music (BMus)

Also available with Concurrent Education.

Bachelor of Music Theatre (BMT)

Science

From courses that explore oceanography to quantum mechanics to climate change; to hands-on field studies at the Queen's University Biological Station (QUBS) on Lake Opinicon or the deep underground laboratory called SNOLAB that studies dark matter and dark energy; to certificates such as Geographic Information Science (GIS) to top up your degree – obtaining a Science degree (BScH) from Queen's is as impressive as you are.

Degrees

Bachelor of Computing, Honours (BCmpH)

Can be combined with the QBridge Pathway.

Bachelor of Science (Honours), in Life Sciences (BScH)

Bachelor of Science (Honours), in Kinesiology (BScH)

Bachelor of Science, Honours (BScH)

Also available at Bader College campus.

Also available with Concurrent Education.

Learn by Doing

Internships are a great way to learn by doing in Arts and Science. You can complete a 12-16 month paid internship that tops up your degree with hands-on experience. You can also get involved in countless project-based experiential learning opportunities.

Arts and Science Online offers 6 degrees, 120+ courses, and 6 certificates so you can learn anytime, anywhere. Learn more: [QueensOnline.ca](https://queensonline.ca)

You might be a candidate for the Queen's Accelerated Route to Medical School Pathway. Learn more: meds.queensu.ca/academics/quarms

Bader College

► queensu.ca/badercollege

Queen's is the only university in Canada where students can complete their entire first year overseas – at historic 15th century Hertsmonceux Castle – situated in East Sussex, UK.

Bader College offers a truly outstanding Study Abroad experience in an immersive living and learning environment. Our diverse course offering is bolstered by dedicated student support, interactive and innovative experiential learning, and a strong international and intercultural focus.

Living and learning on the castle estate in the English countryside provides a distinct context to your academics.

Get ready to be immersed in history, surrounded by natural beauty, and to be part of a vibrant, supportive local community.

**formerly the Bader International Study Centre*

First-Year Programs

Arts

Health Sciences

Science

Concurrent Education/Arts or Science

Choose First-Year at Bader College and expect a personalized university experience with small class sizes, a close-knit community, and lots of opportunities to interact with your classmates and professors. Our diverse course offering allows you to gain credits applicable to a wide variety of degree plans.

Bader College's hands-on learning, intercultural interaction, and interdisciplinary studies are the hallmarks of the Castle experience, while our signature first-year courses: "BADR 100/101: Thinking Locally/Acting Globally," draw together several disciplines to create a strong basis for the rest of your university studies.

Get ahead in your academic learning

- Develop your confidence and engage with your professors and classmates in our active learning environment
- Study the Sciences at our state-of-the-art lab facilities, and engage with your surroundings, performing experiments on the rich variety of ecosystems and landforms that are present on the Castle Estate
- Develop transferable skills for your future studies and employment
- Take advantage of our dedicated student support and academic skills-building sessions

"My experience at Bader College during my first year had a profound impact on my academics and has carried me through my undergraduate experience at Queen's, improving my writing skills, my time management, and my ability to think critically beyond your standard classroom."

Rayona, Health Studies

FAST FACTS

Herstmonceux is situated in East Sussex, on the south coast of England. The vibrant coastal city of **Brighton** is nearby, while the city of **London** is a quick 90-minute ride away thanks to convenient local rail connections.

Herstmonceux Castle sits on a historic **600-acre estate**, but also boasts the cutting-edge learning tools of a modern university campus; eight seminar rooms, a dedicated film & video room and science laboratories.

The average size of a First-Year class is just **18**, promoting conversation and healthy debate in class, plus a **strong connection** with your professors.

Concurrent Education

► educ.queensu.ca/teacher-education/concurrent

Popularly known as ConEd, Concurrent Education is a program for high school graduates with a passion for teaching and learning. From your very first day at Queen's, you will work on two degrees: one in Arts, Science, Music or Fine Art (Visual Art), the other a Bachelor of Education. You may even decide to do your first-year at Bader College in East Sussex, England.

Degrees

Bachelor of Arts, Honours (BAH/BEEd)
 Bachelor of Science, Honours (BScH/BEEd)
 Bachelor of Science, Honours, Kinesiology (BScH/BEEd)
 Bachelor of Fine Art (Visual), Honours (BFAH/BEEd)
 Bachelor of Music (BMus/BEEd)

Areas of Interest

Primary/Junior (JK – Grade 6)	International Education
Intermediate/Senior (Grades 7–12)	Educational Leadership
Indigenous Teacher Education	Educational Technology
Assessment and Evaluation	Environmental Education
At-Risk Children	Exceptional Learners
	Social Justice and more

Career Possibilities

Teacher (elementary school, secondary school, early childhood education, adult education, college, EAL)	Human resources
Children's services	International development
Community development	Librarian
Education consulting	Outdoor education
Counseling and guidance	Public administration and public relations
Curriculum development	Special needs educator
Educational technology	Speech and language therapy

Learn by Doing

You will complete in-school and practical placements, gaining work experience in classrooms alongside other education professionals. The ConEd program also includes a three-week alternative practicum that is completed outside a regular classroom and can be done anywhere in the world as long as it is related to the program. Queen's offers travel fellowships to support alternative practicum placements abroad. There are also opportunities for professional development through workshops and the Queen's Conference on Education.

FAST FACTS

Designed to give our students the opportunity to get out into the job market earlier – within 5 years + 1 summer.

Over 80% of graduates are employed as teachers within one year after graduating.

The Queen's education degree is **accepted across Canada, and around the world**, for teacher certification.

Engineering

► engineering.queensu.ca

Join a diverse community of creators at Queen's Engineering, one of the nation's leading engineering schools!

Let your curiosity drive you through a first year of engineering fundamentals, followed by in-depth studies in one of 10 disciplines of your choice.

Or pick your path directly with nationally leading direct entry programs in Mechatronics and Robotics Engineering, and Electrical and Computer Engineering.

Cutting-edge facilities, internships, entrepreneurial opportunities and more await you at Queen's!

Health Sciences

► bhsc.queensu.ca

The Health Sciences program is an ideal degree for students who hope to become health professionals and whose passion for science is matched only by their desire to learn in new and progressive ways. You'll take specific health science courses right out of high school.

Combine innovative in-class and online studies in our flipped classroom format for a truly unique educational experience that gives context to course material with real-world learning.

Our program is distinctive in that it is designed to align with the competency framework used by medical schools and other health profession programs.

Degree

Bachelor of Health Sciences (BHSc Honours)

Available on our Kingston campus, at Bader College in East Sussex, UK and online, this program is for students who are interested in a health-related career or are hoping to pursue future studies in the health professions – medicine, rehabilitation therapy, or other related graduate programs.

Areas of Interest

Anatomical Basis of Health and Disease

Learn by Doing

The flipped classroom format enhances face-to-face interactions, enabling students to learn from each other and from the teaching team in an effective manner. Instead of the traditional lecture method, students are provided access to interactive online modules to learn at their own pace prior to attending engaging, active learning classroom sessions where they will apply and integrate course material in a real-world context.

FAST FACTS

Experience **hands-on learning** in facilities like our state-of-the-art anatomy lab.

Select courses from one or more of our **seven optional learning tracks** to allow you to focus on the topics that interest you the most.

Get **real world experience** with a research project or by completing an optional **12-16 month internship**.

You might be a candidate for the Queen's Accelerated Route to Medical School Pathway. Learn more: meds.queensu.ca/academics/quarms

Nursing

► nursing.queensu.ca

There are two pathways to becoming a Queen's Nurse. Secondary school graduates can enrol in our traditional four-year Bachelor of Nursing Science (BNSc) full-time program, while students applying with 10 or more full-year university course credits may choose our full-time accelerated standing track (AST). The AST program is two years including summer terms. Both programs qualify graduates to take their NCLEX-RN exam, to secure registration to practice with the title Registered Nurse (RN).

Classes taken during your time in the program include core arts and science courses, theory-based nursing science courses, and extensive clinical practice experiences in a variety of responsive environments. These combined experiences, led by expert faculty, will prepare you to become a confident health professional and clinician-scholar. Queen's nurses are sought by top-tier health organizations nationwide and internationally.

Degree

Bachelor of Nursing Science (BNSc)

Clinical Areas of Interest

Critical Care (ICU, ER)	Psychiatric/Mental Health
Community-based and Public Health	Maternal-Infant and Pediatric Health
Inpatient Medical-Surgical Nursing	Nursing Science and Research
	Corrections Health

Career Possibilities

Clinical nurse
Scientist
Health system administrator
Government policy making
Population health promotion
Chronic disease management
Health Educator

Specialty areas such as:

Acute care	Community
Chronic care	Pediatrics
Critical care	Maternity
Emergency	Mental health
Public health	Correctional services

Learn by Doing

Clinical Learning Environments:

- rotating placements in a variety of health care settings
- Interdisciplinary simulation and skills labs
- Sessions in Queen's Clinical Education Centre
- Certificate programs

By 2025, more than 20% of Queen's health professions courses will be interdisciplinary; nursing, rehab, and medical students will learn together, reflecting the realities of our interprofessional health systems. Current IPE initiatives teach future healthcare team members how to optimize care outcomes through respectful collaboration and interactions as students.

Thinking of becoming a Nurse Practitioner (NP) or an advanced Health Researcher?

Our BNSc programs build a strong scholarly foundation for future graduate studies.

FAST FACTS

In 2020, on the NCLEX-RN exam, Queen's nurses had a first-time pass rate of 97.4%, compared to the provincial average of 83.8% and the national average of 85.8%
*Canadian Council of Registered Nurse Regulators

Our graduates work in academic, government, and health institutions around the world.

Our commitment to Nursing Science includes evidence-based teaching and rapid translation of research to nursing education and practice.

Small lab sizes give you focused and tailored learning experiences.

There has never been a more exciting time to consider a Bachelor of Nursing Science degree! Over 191,000 RNs are needed by 2028, yet over 50,000 nursing positions are expected to remain unfilled (Statistics Canada, 2022).

QBridge School of English

English Language Bridging Pathway

► qsoe.educ.queensu.ca/programs/qbridge

QBridge

is an English language pathway to Queen's University for students who are academically competitive for admission to a Queen's undergraduate degree program, but who do not meet the required admission standard for English language proficiency.

The pathway ensures that students are linguistically, academically, and culturally prepared to complete their Queen's undergraduate degree studies.

Eligible Degree Programs

QBridge Accelerated and QBridge EAP are available as pathways to undergraduate degree programs in Arts, Science, Computing, and Engineering.

QBridge: ACCELERATED **July-August**

An intensive eight-week summer course, QBridge Accelerated is for students with the following minimum standardized English language test scores:

TOEFL iBT: 80 **PTE:** 55 **IELTS:** 6.0

DUOLINGO: 95 **MELAB:** 78 **CAEL:** 60

CAMBRIDGE ENGLISH: 170

Students must achieve a minimum grade of B in QBridge Accelerated to progress to their academic degree program beginning in September.

QBridge: ENGLISH FOR ACADEMIC PURPOSES (EAP) **Starts in September**

Students who do not meet the requirements for QBridge Accelerated, but are academically competitive for admission will be considered for QBridge EAP if they present the following minimum standardized language test scores:

TOEFL iBT: 58 **PTE:** 40 **IELTS:** 5.5

DUOLINGO: 80 **MELAB:** 58 **CAEL:** 50

CAMBRIDGE ENGLISH: 160

Students must achieve a minimum grade of A- in EAP 140, or B in EAP 150 to fully progress to their academic degree program. Students in the upper levels may choose to enrol in one for credit course (see qsoe.educ.queensu.ca/programs/qbridge for details). If a student has not reached the required standard, then further EAP courses will be required to progress to academic studies.

FAST FACTS

2022 is our
80th
anniversary of
English language
programs at
Queen's School
of English

200+
QBridge
students enrolled
each year

10+
countries
represented in
student population

10-16
students
per class

Applying for Admission

Students are required to apply* for QBridge Accelerated and QBridge EAP through the Ontario Universities Application Centre (OUAC) using the following OUAC codes:

- Bachelor of Arts (Honours): QXA
- Bachelor of Science (Honours): QXS
- Bachelor of Engineering: QXE
- Bachelor of Computing (Honours): QXD

English language scores received by the documentation deadline will determine eligibility to QBridge Accelerated or EAP.

* Application information including admission requirements and competitive averages may be found on our website queensu.ca/admission/

Career Services

► careers.queensu.ca

Our Career Services will support and empower you to design a rewarding career journey that leverages your education and skills to impact the world positively.

- Explore your passions, talents, and interests to identify employment, career, and further education options with a career coach
- Gain relevant experience and develop transferable skills through experiential learning opportunities, including on-and off-campus summer and part-time jobs, volunteer and community engagements, research opportunities, and internships
- Meet employers from hundreds of organizations at career fairs and campus events to discover the current industry and recruitment trends
- Access thousands of job postings exclusive to Queen's students on MyCareer
- Strategize with a career coach to write compelling resumes, cover letters, and applications for job postings, graduate and/or professional schools
- Connect with Queen's diverse and global alumni network to get insider career advice and access to hidden opportunities

Queen's Undergraduate Internship Program (QUIP)

careers.queensu.ca/quip

- For second- or third-year students
- Gain valuable work experience before you graduate
- Engage and collaborate in significant projects over a 12- to 16-month work term
- Test drive your career choice and build your professional network in a field/industry of your choice
- Return to your final year of studies with renewed energy and a deeper skill set
- Average salary \$45,000

"My internship experience was probably one of the best experiences of undergrad. It provided me with the chance to meet new people, work flexible hours, travel, and discover what type of career path I want to pursue moving forward."

**Anwar, Applied Economics,
Statistics Canada**

"Completing an internship was the best thing I could have done for myself! I was able to learn about the industry I envisioned myself entering, and I now get to graduate with 12 months of professional work experience."

**Candice, Gender Studies, Student Affairs,
Queen's University**

"This internship has provided me with invaluable opportunities to accelerate my career and my professional and personal development. I would have never expected such an enriching experience and I am pleased to have taken part in a QUIP internship."

**Natalie, Mechanical Engineering,
National Research Council (NRC)**

We Support... So You Succeed

► queensu.ca/studentaffairs

We can't wait to welcome you to the Queen's community and support your transition to university life.

Queen's Student Affairs offers a holistic student experience that starts before you arrive on campus and continues through to graduation.

We have a strong and diverse team of staff and senior students who are ready to support you in developing academic, personal, and wellbeing skills to help you thrive during your time at Queen's and beyond.

We offer welcoming student spaces across campus and many opportunities to connect with your peers and build your community at Queen's. We also have lots of programs and services to empower you in planning your career, further education and employment for whatever path you choose!

We're here to help! See you at Queen's!

You're Going to Love Kingston

► visitkingston.ca

▲ Winter in Kingston can be experienced indoors or out. Lace up your skates and hit the Springer Market Square, take in live music as part of Feb Fest, or hunker down in a movie theatre during the Kingston Canadian Film Festival or Reelout Queer Film and Video Festival.

◆ Fall is truly stunning on campus, and in Kingston. Hike the local trails (Rock Dunder is a student favourite!), get spooked at Fort Fright or take a short, free ferry ride to explore Wolfe Island for the day.

Kingston has a ton to offer. Set alongside Lake Ontario, anywhere you go in downtown Kingston – and on campus – you’re only minutes from the **waterfront**. Equally close to campus (about a 10-minute walk) is Kingston’s bustling downtown, which is home to many unique-to-Kingston **shops**, big brands you’ll recognize, and some of the **best restaurants in Canada**.

◆ Located across the street from Queen’s, this free access beach is the best place to be on a warm day and is part of an 8km waterfront trail along the shores of Lake Ontario.

◆ Kingston is a foodie’s paradise. Immerse yourself in the field-to-fork movement at the Farmers’ Market, dine on one of Kingston’s many patios, or get your java jolt while studying in a cozy café.

Queen's Residence

► queensu.ca/residences

Welcome to your
first-year home!

- 4,600 students from 90+ countries
- 17 buildings on Main and West campuses
- Buildings vary in size, room types, and amenities
- Room types include single, single plus, double, loft double, triple, and quad

Residence fee includes a mandatory meal plan of 19 meals per week, available at our 3 dining halls and several retail outlets.

Living in Residence

Residence is a living and learning environment where you can feel a sense of belonging, experience diverse opportunities to build resilience, and access ongoing support to help achieve academic success.

Residence Life staff provide support through peer-to-peer connections, sharing knowledge about campus resources, helping you navigate the transition to university, and planning events to build community.

- Make lifelong friends on your floor, in your building, and across campus
- Social activities for everyone, from floor dinners, and intramurals, to games nights and movie nights
- 180+ professional live-in staff and student leaders
- 24/7 front desks and security
- Transition supports, including embedded counsellors
- Wellness workshops led by peers, including pet therapy, and tips for healthy eating
- Faculty and interest-based Living Learning Communities, including Creative Arts, Active Living, Nursing, Computer Science, Engineering, and Social Sciences
- Lifestyle communities including an Alcohol and Cannabis Not Preferred floor, and a Study Floor
- Academic supports including study sessions, and academic resource fairs

Let's Eat!

► dining.queensu.ca

We love food!
Everyone is welcome
at our kitchen table.

- Choose from 3 all-you-care-to-eat dining halls and a variety of retail locations on campus to meet your culinary cravings
- Menus focus on whole foods, with many featuring ingredients from local farms
- If you have allergies or dietary needs e.g. vegetarian, vegan, gluten-free, dairy-free, halal, kosher, etc., we've got you covered!
- Meet one-on-one with our Registered Dietitian and Executive Chefs
- We cook delicious homemade meals every day, with flavours inspired by cultures around the world
- We are passionate about your wellness and sustainable practices

Student Academic Success Services

► sass.queensu.ca

Maximize your academic potential

Learning at university requires new approaches to thinking, writing, and studying.

Get ready for it!

Professional staff and peer volunteers offer one-on-one appointments, workshops, and resources to support you in reaching your academic goals.

Student Academic Success Services (SASS) can help you enhance your skills in:

- Critical thinking
- University-level writing
- Note-taking
- Reading efficiently
- Studying effectively
- Time management
- Avoiding procrastination
- English as an additional language
- Upholding academic integrity

Supporting Your Health and Wellness

► queensu.ca/studentwellness

Staying healthy is important as you make the transition to university – good physical, mental, and social health supports your academic and personal success!

Aligned with our Campus Wellbeing Framework, there are lots of programs and services available to help you get the information and supports you need to be well.

Student Wellness Services is a great place to start - we are located on the first floor of Mitchell Hall, 69 Union St, in the centre of main campus.

The **Gregory David and Neil Rossy Health Promotion Hub** is where you can connect, gain skills, and get relevant health and wellness information to support your wellbeing. Our volunteers help with resource navigation and wellness coaching, plus lead outreach like weekly runs, food programs, and therapy dog sessions. Professional staff deliver trainings, offer healthy lifestyle appointments, and provide mentorship to volunteers and student staff. Help support your peers and gain valuable experience by getting involved with one of our many volunteer and employment opportunities.

At the **Côté Sharp Student Wellness Centre**, you can make an appointment with a variety of health care providers who will do their best to meet your needs directly, or refer you to a specialist or allied health care provider, depending on your presenting concerns. Some of our resource partners provide 24/7 access to online and phone-based mental health care. In addition, we offer a range of professionally led wellness groups, which you can sign up for online.

We are here for your wellness needs!

Promoting success for students with disabilities – plan ahead!

Queen's Student Accessibility Services (QSAS) works with students to ensure equitable and dignified access to the university learning environment.

Start your registration process in the spring/summer, well before you arrive on campus, so academic accommodations are in place for you early in the term. Register online by uploading your medical documentation to the Ventus Student Portal on the QSAS website, and an Intake Advisor will contact you about next steps.

Plan ahead! Visit queensu.ca/studentwellness/accessibility-services

Build Your Community

Yellow House

Yellow House is a safe, comfortable and accountable space for queer, racialized and marginalized students to create community, to feel empowered, to empower others, to celebrate and to honour their histories. We seek to engage students in initiatives that actively dismantle oppressive, racist and colonial ideologies and practices.

Get involved with the 4 clubs that are based in the Yellow House; connect with our staff team and join our events!

queensu.ca/yellow-house

Faith and Spiritual Life

We offer multi-faith, non-judgmental support and facilitate welcoming, peaceful, and safe spaces, gatherings and events.

- Meet with one of our Interfaith chaplains
- Pray, reflect, or meditate in our Interfaith rooms
- Drop in for a cup of tea in our student lounge

queensu.ca/faith-and-spiritual-life

Queen's University International Centre

► quic.queensu.ca

4,000+ international students from 100+ countries

Come be part of the international community at the Queen's University International Centre (QUIC)! Our priorities are to help you be successful, achieve your academic goals, and to connect you with peers from around the world.

"I have been at Queen's for almost three years. I still remember the first time when I walked into QUIC, the welcoming hospitality from visitors and staff. I participated in a lot of QUIC activities, made new friends, and improved my English. Thanks to this, I felt being a part of Queen's and the country."

Patrick, Faculty of Arts and Science

At QUIC you will find:

- Welcoming atmosphere and orientation activities
- Virtual and in-person services
- Social activities and spaces
- Work and volunteer opportunities
- English Conversation Program
- Advice about permits, visas, and immigration
- Intercultural awareness training
- Academic supports
- Transition supports
- Job search advising
- Information about the University Health Insurance Plan (UHIP)

QUIC is known for its engaging and welcoming community. Everyone joining our campus is rich with knowledge and experiences and we hope that you will take the opportunity to share them with us.

- You don't have to be an international student to participate! All students are welcome.
- Share your culture
- Bring your questions
- Get comfortable in our lounge
- Have lunch with new friends

Indigenous Community at Queen's

► queensu.ca/fourdirections

Hello, She:koli,
Ahnii, Tansi,
Waachay, Oki,
Tawnski,
Kwe kwe,
Koolamalsil,
She: kon,
Tungasugit,
Boozhoo,
Bonjour!

Queen's University provides a number of supports and services for Indigenous students. There are also many ways to get involved on campus as an Indigenous student at Queen's.

Welcome to Four Directions!

The Four Directions Indigenous Student Centre (4D) is your home away from home, in two neighbouring houses. You will find a safe space, welcoming community, advice, support and connections to resources across campus.

- Academic advising and tutoring connections
- Financial, housing, and career support
- Cultural Counsellor offering individual and group sessions, and crisis support
- Study spaces and lounges
- Social and cultural programming
- 100+ events throughout the year
- Full kitchen facilities, food, and feasts
- Free laundry
- Library, resource, and meeting rooms

Questions about Queen's?

Our Indigenous Community Outreach Coordinator is your primary contact throughout the application and admission process. Get in touch by emailing us at fd.recruiter@queensu.ca

Indigenous Student Admission Pathway

Queen's offers Indigenous candidates an additional admission pathway that includes support through the admission process. Learn more:

queensu.ca/admission/pathways-and-policies/indigenous

Financial Aid

Queen's offers merit- and need-based financial awards to entering students who self-identify as First Nations, Inuit, and Metis.

queensu.ca/registrar/financial-aid/specific-students

Our advisor at Four Directions can help you find and apply to additional funding opportunities, and assist you with budgeting and money management throughout your time at Queen's!

Stand Proud!

Students with Indigenous ancestry can self-identify to the university at any point during their time at Queen's.

queensu.ca/fourdirections/current-students/self-identification

Get involved with Indigenous initiatives at Queen's**Queen's Native Student Association**

A student-run club that brings together a diverse group of Indigenous and non-Indigenous students who share an interest in Indigenous cultures and traditions.

facebook.com/likeQNSA

Indigenous Futures in Engineering (InEng)

Indigenous Futures in Engineering (InEng) serves students through culturally relevant student success programs, including liaison with industries particularly interested in the development of Indigenous engineers through summer employment, internships, and permanent positions.

engineering.queensu.ca/future-students/indigenous/

Indigenous Academics (STEM:InA)

In 2021, InEng launched an expansion of their student success model to include students from the Faculties of Health Science and Arts and Science degree programs. Through STEM: Indigenous Academics (STEM:InA), students have access to tutoring and exam prep sessions, along with specialized weekly programming and conferencing opportunities.

Indigenous Teacher Education Program

The Indigenous Teacher Education Program (ITEP) provides an opportunity for teacher candidates to specialize in Indigenous education, and qualifies graduates for Ontario College of Teachers certification. The ITEP Office provides academic and cultural support and hosts workshops, lectures, and events.

educ.queensu.ca/teacher-education/tracks/itep

"4D gave me a place to feel at home away from home and the staff are remarkable. I always felt like there was a place for me at Four Directions and that I wasn't just another student."

Katie, Faculty of Arts and Science

Athletics and Recreation

▶ gogaelsgo.com

Go Gaels Go!

Queen's A&R offers a variety of Recreation & Active Living opportunities to help you stay active and live a healthy lifestyle while you're studying at Queen's. Our programs will help you develop a sense of belonging, support the multiple dimensions of personal health, enhance social connectedness, and foster a culture of wellbeing on campus.

Athletics and Recreation Centre *(or, The ARC, as we like to call it)*

4 artificial turf fields

Kingston's **largest** pool

6 gymnasiums

over **10 tons** of free weights

open **16.5** hours a day (average)

over **150** pieces of cardio equipment

open **360** days per year

Fitness and Wellness Programs

The ARC offers in-person, virtual and on-demand group fitness classes and personal training to inspire and support your efforts in getting active and connecting with other Queen's Students. Ranging from Yoga to Full Body Strength to Partner Personal Training sessions, there is something for everyone!

rec.gogaelsgo.com/sports/fitness

Intramurals

Almost 8,000 students participate in 1,125 teams and intramurals.

You can stay in shape, enjoy your favourite sport, and make new friends.

Learn more: rec.gogaelsgo.com/sports/intramurals

Recreation Clubs

Over 20 student groups meet the recreational and competitive needs of the Queen's student community in a wide variety of sport and recreation activities.

Check out our clubs: rec.gogaelsgo.com/reclubs

Varsity Athletics

Almost 1,000 students proudly wear the Tricolour in sports from basketball to water polo, and Gaels are perennial contenders for league and national championships.

Check out our varsity teams and clubs: gogaelsgo.com

How to Apply

► queensu.ca/admission/about-applying

- 1 Apply online
► queensu.ca/admission/about-applying
- 2 **Add @queensu.ca as a safe sender**
Ensure you can receive our emails because that's the only way we communicate with you
- 3 After we send your Student ID, activate your NetID account
► netid.queensu.ca/selfservice
- 4 Submit any supplementary information that we request on the To-Do List in your SOLUS Student Centre
- 5 Check your To-Do List, and Application Status and apply for an Admission Bursary on SOLUS ► my.queensu.ca

Admission Pathway for Indigenous Students

Queen's offers Indigenous candidates an additional and alternative pathway for admission to the first year of a full-time, first-entry undergraduate degree program, known as the Indigenous Admission Policy.

Indigenous candidates apply through the Ontario Universities' Application Centre (OUAC) and self-identify as having Indigenous ancestry. Candidates must meet the general admission requirements for each program and deadlines for undergraduate admission. This may also include other supplementary information that will be requested on the To-Do List in your SOLUS Student Centre.

Candidates seeking admission consideration under this policy must submit a separate letter to the Indigenous Community Outreach Coordinator stating that they wish to be considered under this policy along with proof of Indigenous ancestry (First Nation, Status/Non-Status, Métis or Inuit). Admission to Queen's University will depend on the assessment of the student's program prerequisites (or equivalencies) as well as the student's overall average and submission of any required supplementary information. The number of students admitted each year under this policy will be determined in the annual enrolment plan upon consultation with the faculties and schools.

For more information, please email the Indigenous Community Outreach Coordinator. queensu.ca/admission/pathways-and-policies/indigenous

First-Generation Student Admission Pathway

The First-Generation Admission Pathway offers comprehensive wrap-around support to help demystify the post-secondary process for prospective students as they pursue an undergraduate education at Queen's. Eligible students will receive support with OUAC and general applications, program and academic advising, financial planning (OSAP, scholarships and bursaries), and one-to-one advising.

To be eligible, students will be the first in their family to access a post-secondary education (excluding siblings), and their parents/guardians have not attained a post-secondary education. Successful candidates will also have to be registered with one of our affiliated community partners. A full list of our partnerships can be found on our website at: queensu.ca/admission/pathways-and-policies/first-generation

Offers of admission will be made to First-Generation candidates whose total application shows strong evidence of academic preparedness and potential. Students will be introduced to the contacts and services available at the Student Experience Office and the Student Awards Office during the application process, and upon admission. Queen's University encourages students to access these services throughout their time at Queen's. Students who are admitted through this pathway will also be encouraged to make use of the academic advising and academic support services available to all students at Queen's University.

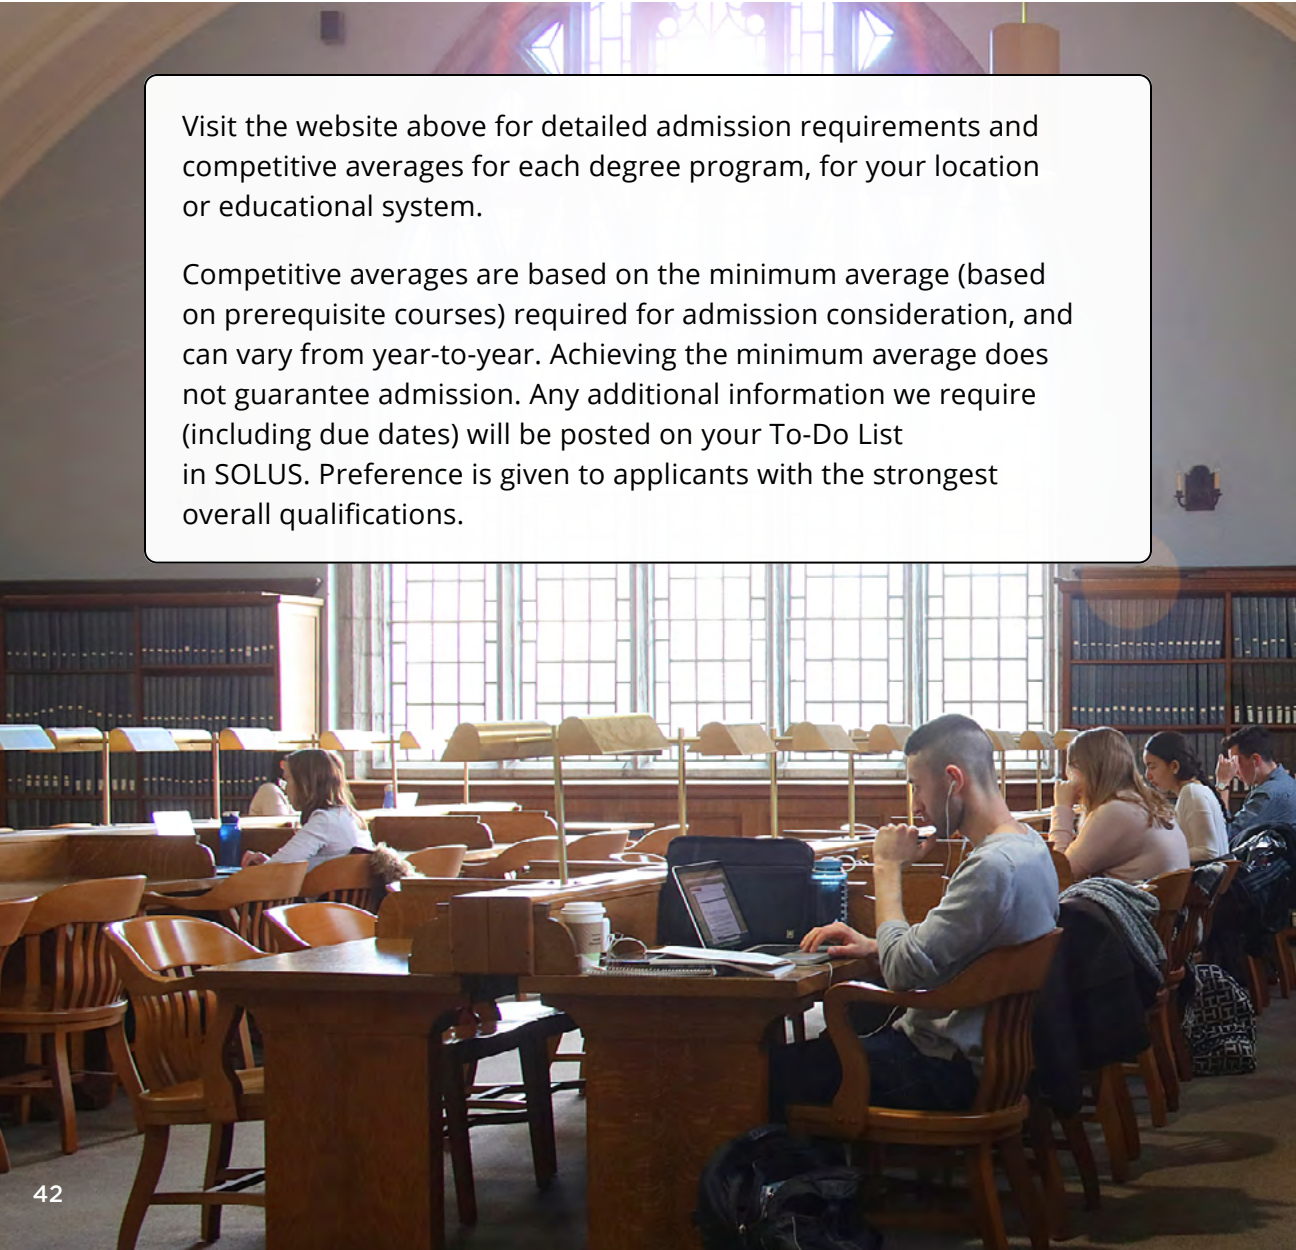

Admission Requirements

► queensu.ca/admission/about-applying/requirements

Visit the website above for detailed admission requirements and competitive averages for each degree program, for your location or educational system.

Competitive averages are based on the minimum average (based on prerequisite courses) required for admission consideration, and can vary from year-to-year. Achieving the minimum average does not guarantee admission. Any additional information we require (including due dates) will be posted on your To-Do List in SOLUS. Preference is given to applicants with the strongest overall qualifications.

Supplementary Admission Information

► queensu.ca/admission/about-applying/documents

Your high school transcript is just one piece of information we use when making an admission decision. Each applicant to Queen's has a unique To-Do List, detailing exactly what we need to complete your application. You can see your To-Do List (and the due dates) on your SOLUS Student Centre. We will send your SOLUS access information after you apply. Learn more about submitting your documents on the website listed above.

We review and update our Supplementary requirements on a regular basis to ensure applicants have a meaningful platform to share additional information not available through their grades. Please visit our website for the most up-to-date information on Supplementary requirements and how, when and for which programs they are required.

Equity Admission Self-Identification

Queen's has pledged to identify and eliminate barriers within university policies, procedures, and practices related to the recruitment and admission of Black, Indigenous and other racialized students, and enhance efforts and initiatives to diversify the student population.

To assist in this effort, applicants from a broad range of historically and currently underrepresented groups are encouraged to self-identify to the Undergraduate Admission and Recruitment Office. Queen's may consider this information in conjunction with the academic record when making offers of admission. Our Access and Inclusion staff, and a dedicated group of student Equity Ambassadors are available to provide support throughout the admission process.

Applicants are invited to complete the optional form if they identify as:

- An Indigenous person
- A member of a racialized/visible minority group
- A person with a disability
- A person who identifies as 2SLGBTQ+

Learn more: queensu.ca/admission/equity-admission-self-identification

Paying for Your Queen's Education

Domestic Students

(Canadian Citizens, Permanent Residents, Protected Persons)

Approximate Cost of First Year		
Program	Ontario Tuition & Fees (Total)*	Non-Ontario Tuition & Fees (Total)*
Arts & Science	\$7,423	\$7,727
Computing	\$7,751	\$8,071
Commerce	\$17,669	\$18,483
Concurrent Education	\$8,325	\$8,627
Engineering	\$13,362	\$13,957
Health Sciences	\$7,398	\$7,702
Nursing	\$7,447	\$7,750

* Approximate Tuition and Fees are based on 2022-23 fee schedules. Tuition and Residence is charged on a per-term basis. Visit queensu.ca/registrar/tuition-fees for detailed tuition and fees for all undergraduate programs.

Bader College First-Year Program in England	
Tuition and Experiential Learning	\$11,389
Total Residence Fee**	\$32,327
Total Program Fee***	\$43,716

** Total residence fee is based on a twin room, including airport transfers, meal plan, student activities, residential student support and local travel.

*** Based on 2022-23 Bader College First Year Program Fee schedule. For further details about this inclusive Bader College Program Fee, visit the Registrar's website: queensu.ca/registrar/tuition-fees

Living Expenses on Campus	Single Room*
Total Residence Fee	\$16,539
Food	Included in Residence Fee
Books & Supplies	\$1,600
Personal Expenses	\$2,415
Total	\$20,554

Financial Aid for Domestic Students

► queensu.ca/registrar/financial-aid

An offer of admission to Queen's recognizes your academic achievement; it serves as an invitation to join our community, and fully experience all that Queen's has to offer.

Our comprehensive financial aid program reflects Queen's long history of promoting access to university for all students who qualify. Financial Aid programs include need-based bursaries, scholarships, and various other awards. Students may also be eligible for government student assistance programs.

Bursaries

Our expanded access initiatives affirm our commitment to reducing the barriers of financial need or personal circumstances and give you the opportunity to say yes to Queen's.

What it is:

A bursary is a financial award, based on demonstrated financial need (not your grades), that you can use for your Queen's education. Unlike a student loan, it is money that you don't have to pay back. Applying is easy. The online application is available in SOLUS, and it is just one application for all Queen's need-based bursaries. You can apply for a bursary right after you apply for admission -- we want you to know about your Queen's financial awards before you decide to accept your offer.

What you need to know

1

You can apply for a Bursary right after you apply for admission.

2

The application is due by **February 15.**

3

There is a single online application for all need-based bursaries.

4

Use the Bursary application in SOLUS.

Major Access Bursary

Building on our long-standing tradition of promoting access to university, we are offering transformative financial aid to create opportunity for students in greatest need of support throughout their degree. We want our highest-need applicants to be empowered to accept their offer of admission to Queen's.

Program	Value (over 4 years)*
Arts and Science	\$40,000
Health Science	\$40,000
Nursing	\$40,000
Engineering and Applied Science	\$60,000
Commerce	\$72,000

Promise Scholars Program

The Promise Scholars program is a comprehensive initiative designed to reduce financial barriers and increase access to Queen's for local, **first-generation students**. The program provides dedicated financial, academic, and career support to help students complete their degree. Five awards will be available. You can apply right after you apply for admission using the bursary application on SOLUS online.

Admission Bursary

Students who may not qualify for a Major Access Bursary but still need funding to assist with financing their education may be eligible for an Admission Bursary. A Queen's Admission Bursary is a non-repayable award based on demonstrated financial need – not your grades.

Program	Value*
Arts and Science	up to \$3,500
Health Science/Nursing	up to \$3,500
Engineering	up to \$5,000
Commerce	up to \$6,000
Bader College First-Year	up to \$7,500

Commitment Bursary

A separate Commitment Bursary is available to students entering first year of any first-entry undergraduate degree program who self-identify as a member of an underserved or underrepresented group based on demonstrated financial need. The Commitment Bursaries will be offered at values between \$2,000 and \$5,000, renewable for three subsequent years.

Learn more about bursaries at:

queensu.ca/registrar/financial-aid/bursaries

- * • Values shown for bursaries were in effect at time of publication.
- Queen's University reserves the right to revise any award value without prior notice.
- Renewal conditions apply – see Policy section on Student Awards web site for details.

NEED MORE HELP?

The Student Awards Office is here to help! Contact us for an in-person or telephone appointment or check out the Student Awards website for further information about the programs available to help you succeed!

queensu.ca/registrar/financial-aid 613-533-2216 entrance@queensu.ca

Admission Awards

Major Admission Awards

Major Admission Awards are high-value awards. The criteria for these awards range from demonstrated financial need, to involvement in your school or community, to having applied to a particular program. They all require an application, and for some, you will need to be nominated by your high school.

What you need to know

1

After you apply to Queen's, you will be able to apply for a Major Admission Award online, through the application in your SOLUS Student Centre.

2

The application deadline is **December 8.**

Award*	Value (over 4 years)	Number available	Additional Criteria
Bank of Montreal	\$40,000	Up to 5	Financial need
Chernoff Family	\$48,000-\$60,000	11	Financial need, rural/remote
D&R Sobey Atlantic	\$80,000	Up to 7	Financial need, Atlantic provinces, Commerce program
Dr. Iris May Marsh Memorial	\$48,000	5	Financial need, Ontario resident
Melvin R. Goodes	\$48,000-\$60,000	2	Financial need, Graduate of Westdale Secondary School
Science 1968	\$48,000	1	Financial need, Ontario resident, Engineering and Applied Science program
Chancellor's	\$48,000	50	Requires high school nomination, academic achievement, community involvement, leadership
Gregory Scholarship in Engineering	\$48,000	1	Requires high school nomination, academic achievement, community involvement, leadership

* • Values shown for admission awards were in effect at time of publication.
 • Queen's University reserves the right to revise or withdraw any award without prior notice.
 • Students will not receive more than one merit-based award.
 • Renewal conditions apply - see Policy section on Student Awards web site for details.

Commitment Scholars Award

The Commitment Scholars Award celebrates and recognizes demonstrated leadership in, and commitment to, racial justice, social justice, or diversity initiatives by a student in their high school or in their community. Ten awards will be available, each valued at \$48,000 over 4 years. After you apply to Queen's, you can apply for this award by completing the Commitment Scholars application on your SOLUS Student Centre. The application deadline is **February 15**.

Learn more about admission awards at:

queensu.ca/registrar/financial-aid/admission-awards

Principal's Scholarship

Queen's Principal's Scholarships are given to students, who are in the top 5% of the competitive admission average* for each direct-entry program. These are scholarships awarded based on your grades only.

Value:
\$7,000

** Competitive averages will vary by program, and may also vary from year to year.*

Other Awards and Funding Opportunities

Other Queen's Awards

Queen's offers a range of other awards that are available upon completion of a separate application both on admission to Queen's and throughout your studies. Learn more about other scholarships and awards at queensu.ca/registrar/financial-aid

Schulich Leader Scholarships

Queen's is proud to be a Canadian university partner of the Schulich Leader Scholarships program.

- Awarded to entrepreneurial-minded high school graduates enrolling in Science, Technology, Engineering or Math (STEM) programs
- Valued at \$100,000 for engineering scholarships and \$80,000 for science, technology, and math scholarships over four years

Learn more: schulichleaders.com

External Awards

External awards are offered by employers and organizations and often look at criteria other than academics such as athletics, extracurricular activities, leadership, community involvement, volunteer work, and areas of specialization. Some common places to look for external awards are your own or your parents' employer or union, clubs or associations you may participate in, and national award programs. Do your research early. Application deadlines vary.

Earn While you Learn

Working part-time is an excellent opportunity for you to contribute to your financial plan, gain valuable work experience, and get involved!

There are lots of options! You might find a job with the Alma Mater Society (AMS), be a campus tour guide, or officiate intramural sports! Downtown Kingston is only minutes from campus, and there are many part-time opportunities to work in the Kingston community. Did you know that Kingston has the most restaurants per capita in all of Canada?

QUEEN'S WORK STUDY PROGRAM

Students with demonstrated financial need will receive priority to apply for certain part-time jobs available on campus. You can earn up to \$1,000 per term.

QUEEN'S SUMMER WORK EXPERIENCE PROGRAM (SWEP)

SWEP provides eligible Queen's undergraduate students with summer work experience.

Government Student Assistance Programs

▶ queensu.ca/registrar/financial-aid/application-required/government

You may be eligible for student financial aid in the form of grants (money you do not have to repay) and loans (money you need to repay when you are no longer studying full-time in a government-approved program).

- Apply for government student financial aid through the province or territory you reside in (not the province where you plan to attend university)
- You must be a Canadian citizen, permanent resident of Canada, or a protected person
- You must demonstrate financial need
- Apply each year well in advance of the start of your studies

Ontario Student Assistance Program

OSAP is Ontario's government financial aid program to help Ontario students pay for college or university.

- You must be a resident of Ontario
- Apply each year as soon as the application is available
- Once you have applied for OSAP, you can get an estimate of the OSAP loans and grants you may be eligible to receive
- Refer to the OSAP website for updated details and deadlines for the upcoming academic year

Keep Track of the Dates 2022-23

As soon as we have your complete application (i.e. all the items on your SOLUS To-Do List), we will begin to assess your file for an admission decision. We will start to make offers of admission beginning in early December and will continue to make admission decisions until mid-May.

2022

October	1	Application opens at OUAC.
November		Apply as early as possible. Students applying for a Major Admission Award (MAA) should apply to Queen's as early as possible in order to access the online application for the MAA. It takes about a week to access your SOLUS Student Centre after you apply for admission to Queen's.
December	8	Deadline to submit online Major Admission Award (MAA) application on SOLUS.

2023

February	1	Applications, changes or additions to applications are due at OUAC for all first-year programs, for all applicants.
	15	Recommended last date to submit current high school transcript including list of second semester courses (where applicable). Current Ontario high school students' grades will automatically be forwarded by their high school. Recommended last day to submit Bursary applications (Major Access Bursary, Promise Scholars Program, Admission Bursary, Commitment Bursary) for all programs on SOLUS. Deadline to submit online Commitment Scholars application on SOLUS.
		Deadline to submit the mandatory Supplementary Essay for Commerce and Health Sciences and the optional (though recommended) Supplementary Essay for Nursing.
April	30	Queen's receives Ontario high school grades from the Ontario Universities' Application Centre (OUAC). Last day Queen's will accept documents in support of an application.
May	1	Deadline for response to offers of admission for students not attending high school in Ontario.*
	19	All admission decisions complete at Queen's and posted on SOLUS.
June	1	Deadline for response to offers of admission for students attending an Ontario high school. This is also the deadline for all students receiving an offer after May 1.*
	8	Deadline for residence application and deposit.
July	15	Final grades and confirmation of OSSD deadline for Ontario high school students.
August	1	Final transcript deadline for students not currently studying in an Ontario high school.
September	1	Final transcript deadline for students studying the GCE and CAPE curriculum.

* Check your offer correspondence carefully for your response deadline date.

Get to Know Our Campus

The best part of Queen's is our people and the learning, but we also think our campus is pretty special. We'd be delighted to show you around! We know you'll like what you see.

► queensu.ca/admission/campus-tours

We acknowledge that Queen's is situated on traditional Anishinaabe, Haudenosaunee and Huron-Wendat territory. We are grateful to be able to live, learn and play on these lands. This territory is included in the Dish With One Spoon Wampum Belt Covenant, an agreement between the Iroquois Confederacy and the Confederacy of the Ojibwe and Allied Nations to peaceably share and care for the resources around the Great Lakes. The Kingston Indigenous community continues to reflect the area's Anishinaabek and Haudenosaunee roots. There is also a significant Métis community as well as First Peoples from other Nations across Turtle Island present here today.
