

THE UNIVERSITY  
OF QUEENSLAND  
AUSTRALIA

CREATE CHANGE

# UQ Guide 2023

Australian Undergraduate

# Welcome to UQ

Starting university is the beginning of a transformational experience. You'll meet people who will become lifelong friends, exchange ideas with other bright minds, and learn from Australia's most awarded teachers.

You will gain knowledge and skills that will help you excel, no matter where your life and career takes you in a rapidly changing world. It's an investment in your future.

When you join us, you'll be surrounded by like-minded students who come from all over Australia and around the world to study here. The curiosity, creativity and entrepreneurial spirit of our students are part of what makes employers seek out UQ graduates.

As a global top 50 university, UQ has championed creative thinking for more than 100 years to solve problems facing humanity. We don't just teach the latest research: our research pioneers are industry leaders who discover the latest breakthroughs, and make a positive difference in people's lives around the world.

We are passionate about enriching the entrepreneurial ecosystem and creating leaders of the future. We support entrepreneurs at every stage of their journey, working alongside staff and alumni, and connecting them with a wide range of global experts.

You'll learn in a way that suits you at one of our beautiful campuses in South East Queensland - whether in seminars, small tutorials, laboratories, online or by partnering with our passionate educators to change how courses are taught.

University isn't just about study though - you'll also have fun here. UQ is renowned for our vibrant campus culture, our clubs and societies and our world-class sporting facilities, where you'll enjoy your recreation time while making friends for life.

No matter what your reason for being here, you are sure to enjoy UQ's long-standing traditions, while creating some new ones of your own. UQ is for what's next. We equip you for any challenge and every journey.

I look forward to hearing about the positive impact you create in your time with us and beyond.

**Professor Deborah Terry AO**  
Vice-Chancellor and President

Good Universities Guide, 2020

#### Disclaimer

The information in this Guide is accurate at January 2022. However, the University has many programs and courses, and refreshes and updates its programs and course offerings from time to time and without notice. It is your responsibility to visit [future-students.uq.edu.au](http://future-students.uq.edu.au) for up-to-date information.

All costs and fees quoted in this publication are in Australian dollars (A\$) except where otherwise indicated.

#### ESOS compliance

The provision of education services to international students by Australian education institutions is governed by the *Education Services for Overseas Students (ESOS) Act 2000* and the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

The ESOS Act and related legislation is designed to protect the interests of students coming to Australia on Student visas. The legislation aims to protect and enhance Australia's reputation for quality education, to provide tuition protection and support the integrity of the Student visa program.

The University of Queensland, in providing education services to overseas students, complies with the National Code of Practice of the Department of Education and Training and the Universities Australia code of ethical practice.

#### CRICOS Provider 00025B

ESOS Act  
[dese.gov.au/esos-framework](http://dese.gov.au/esos-framework)

#### Privacy

The University complies with Australian and Queensland privacy laws and guidelines.

# Own the unknown

## START

Plan for and enrol in your UQ program

Chances are, your life won't be a straight line from school to a single job for life.

As technology and new discoveries improve our lives, they also disrupt our careers. In the near future, some current jobs will no longer exist, surpassed by ones we can't yet imagine.

As a UQ student, you'll see that this uncertainty is actually an opportunity – a mindset UQ has championed for more than 100 years.

You can study courses that develop vital capabilities and mindsets, with peers and teachers who share your passion to learn and create change.

With UQ, you'll go further in every possible future.

### START PREPARING

Get ready for your UQ experience by:

- attending UQ Open Day in person or online
- taking a virtual tour of our campuses, accommodation, and learning spaces
- coming to a Future Students event
- exploring UQ programs
- applying for scholarships
- signing up for UQ's free online employability course EMPLOY101x.

Visit [my.uq.edu.au/starting-at-uq](https://my.uq.edu.au/starting-at-uq) for more information.

#### Take a virtual tour

Visit our campuses without leaving home. To take a virtual tour, visit [future-students.uq.edu.au/university-life/campus-tours/virtual-tours](https://future-students.uq.edu.au/university-life/campus-tours/virtual-tours), or scan the QR code.

### APPLY TO UQ

Already know what you want to study? See page 64 for details on how to apply.

#### Remember, you have options

If you don't get into your dream program, don't despair. There are many paths to university. UQ College offers bridging courses and associate degrees to help you meet your prerequisites or gain a new entry score. And if you find a degree isn't for you or you don't get in the first time, it's possible to change. UQ's Admissions team is on hand to answer your questions and help with your plans. See pages 66–69 or email [admissions@uq.edu.au](mailto:admissions@uq.edu.au) to explore your options.

#### Choose study that suits you

Flexibility is important as you juggle study, work and life. UQ offers study support and Queensland's widest range of programs. Choose from a range of electives and extracurricular activities and build a skill set unique to your interests and personal career goals. To graduate with double the knowledge and capabilities, you can also choose to enrol in a dual program (see table on page 27).

## GRADUATE

Choose your next step to success

### MAKE THE MOST OF YOUR TIME AT UQ

Get involved in UQ's extracurricular opportunities:

- clubs and societies
- volunteer opportunities
- concurrent diplomas
- student and industry mentoring
- global experiences
- entrepreneurship programs
- research internships.

### Get a head start on your career

You don't need to wait until you graduate to set your career in motion. At UQ, you'll enjoy a range of enrichment activities that enhance your employability, supported by Careers Advisers and Employability Teams who can help you articulate your career potential. See page 6 to find out more.

### Begin your career

UQ graduates are better placed than any others in Queensland to get a job\*, so you'll be well on your way to an exciting career in any industry after you leave UQ.

\*QS Graduate Employability Rankings 2022

## AFTER GRADUATION

Continue your relationship with UQ

### SPECIALISE WITH FURTHER STUDY

Loved your degree and want to go further? UQ has a variety of online and on-campus postgraduate programs to help you accelerate your career. Visit [future-students.uq.edu.au/apply/postgraduate](https://future-students.uq.edu.au/apply/postgraduate) to explore your options.

### Start your research career

Our powerhouse research community and commercialisation companies make UQ a world leader in discovering solutions to the big problems of our time. Enrol in a higher degree by research to join our research superstars. Visit [future-students.uq.edu.au/admissions/higher-degree-research](https://future-students.uq.edu.au/admissions/higher-degree-research) for more information.

### Stay in touch

No matter where your path takes you, you'll always be a part of our UQ community. As part of our global network of more than 307,000 graduates in 187 countries, you can access alumni benefits and UQ's many social, mentoring and professional development opportunities. Visit [alumni.uq.edu.au](https://alumni.uq.edu.au) to find out more.

# Transforming your learning

Our teachers are experts in their fields with a real passion for helping their students reach their full potential. They also happen to be the most awarded university educators in the country.

Recognised for transforming the way students learn at university, they will inspire and guide you with the latest knowledge and ideas.

You will put theory into practice in workplace and laboratory settings, expanding your understanding and contextualising your studies.

## Australia's most employable graduates started exploring the unknown at UQ

We're committed to your learning and enabling you to become a creative, adaptive and innovative problem-solver in today's workplace. We're focused on skills development, employability, and high-quality interactive learning experiences both on campus and online. Students have the opportunity to contribute to the teaching programs through the Student-Staff Partnership Program.

## Our teachers are passionate and engaging experts in their fields

Our teachers write the texts that are used for teaching. They produce research papers every year, they contribute to international conversations in their fields and their work appears in the media and influences government policy. This knowledge is brought into the classroom so you can address the latest issues, ideas and challenges with their support. UQ's teachers are friendly, approachable and care about their students. To get to know some of our teachers, visit [future-students.uq.edu.au/stories/meet-our-teachers](https://future-students.uq.edu.au/stories/meet-our-teachers) or scan the QR code.

## Courses for the future

We design our courses in consultation with learning design teams to maximise your employability when you graduate. Our teachers also consult students in their decision-making and planning processes to ensure course material is exciting, fresh and transformative. We offer courses and programs on edX, one of the most reputable online course platforms in the world, so you can expand your networks, gain new skills and follow your curiosity.

[edx.org/school/uqx](https://edx.org/school/uqx)

## Practical learning

Our world-class facilities provide the perfect place to develop your skills and expand your knowledge, but so much of your learning at UQ will happen outside the classroom. From work placements and projects, to industry workshops, fieldwork and studio time, you'll apply what you learn in a range of practical settings during your studies.

## Sense of belonging

Our goal is to ensure a strong sense of community, belonging and wellbeing among all student cohorts. Welcoming spaces on campus and online will help you make lifelong friends, as will our clubs, societies and extensive sporting facilities.

UQ has received more Australian awards for university teaching than any other Australian university.

UQ teachers from the School of Psychology and School of Chemistry and Molecular Bioscience received an Australian University Teacher of the Year Award in 2019 and 2020.

Other national awards received by UQ academics in 2021 included two Citations for Outstanding Contributions to Student Learning.

UQ ranked #10 in the Moolabs World University Rankings by MOOC Performance in 2021.

# Career ready

As a locally and globally connected university, UQ provides many opportunities for students to apply knowledge gained in the classroom to real life.

You will have access to work-integrated learning, entrepreneurial courses, local and global internships and volunteer positions to boost your confidence, capabilities and résumé.

A wide range of free programs are available to complement your studies, and to help you build a network, take on new challenges and bring your ideas to life.

## Ready for any possible future

From first to final year, you can plan for your successful transition from student to professional.

- **Employability:** life at UQ reaches far beyond the lecture theatre, and the careers and employability staff across UQ will help you make the most of your time at university. Our approach to employability goes beyond simply getting a job. We focus on how you can use your capabilities to perform effectively in the workplace, to create work opportunities, and to make an impact through your work. [employability.uq.edu.au](http://employability.uq.edu.au)
- **Mentoring:** UQ offers many mentoring programs that provide valuable leadership and guidance through all stages of your time at UQ and beyond. These programs can support you in adjusting to university life, developing professional connections and making a positive impact at UQ and beyond. With one-on-one, small group and peer community programs available, you can find what works for you. [my.uq.edu.au/mentoring](http://my.uq.edu.au/mentoring)

- **Volunteering:** build your skills and extend your professional and personal network while contributing to a worthy cause. UQ can help you find local volunteering opportunities and link you with external organisations both within Australia and worldwide. [employability.uq.edu.au/volunteering](http://employability.uq.edu.au/volunteering)

## Workplace learning

Internships, placements and networking will be part of your study experience at UQ. Grow your entrepreneurial mindset and professional connections before you graduate.

- **Business, Economics and Law:** our students have the chance to experience work-integrated learning during their program. Our employability elective course – co-created by students, staff, alumni and industry – provides the opportunity to collaborate with industry.
- **Engineering, Architecture and IT:** the Meet a Mentor program connects third- and fourth-year engineering, architecture and IT students with experienced alumni and industry professionals in one-on-one mentoring.

# VENTURES

Expand your mindset  
with UQ Ventures  
[ventures.uq.edu.au](http://ventures.uq.edu.au)

At UQ we encourage every student to get involved with the Ventures entrepreneurship community. All programs are free for UQ students across all disciplines and study levels, and will help you to develop an entrepreneurial mindset, connect with like-minded students and create your own path. Programs are complemented by a wide range of events and competitions throughout the year, including hackathons, industry events, alumni get-togethers, workshops and pitch nights.

## Curious about where Ventures can take you?

You'll find the people, tools and opportunities to help bring your ideas to life. There's support at every stage of your Ventures journey – from flexing your creative muscles to launching a startup.

### Introductory

*Gain the capabilities and mindset to innovate like an entrepreneur.*

Our introductory programs will help you get inspired, learn core entrepreneurial capabilities, immerse yourself in UQ's community of entrepreneurs and gain the confidence to take your first steps in your Ventures journey.

### Skills applied

*Put your knowledge into practice by solving real industry problems.*

Challenge your ideas and make them a reality by applying your new-found entrepreneurship capabilities to our intermediate program offerings. Test and validate the fit between your ideas and market needs while developing a sustainable business model for your product or service.

### Advanced

*Gain global connections and support to launch your own startup.*

Become a global thinker and learn from the world's most innovative startup hubs. Ventures Startup AdVentures are four-week intensive global learning experiences (virtual and in-person) in San Francisco, Shanghai, Shenzhen, Tel Aviv or Singapore.

- **Health and Behavioural Sciences:** 10 clinics providing healthcare, rehabilitation and nutrition services to the general public introduce our students to the latest in equipment, tools and care.
- **Humanities and Social Sciences:** internships, field trips and placements in Brisbane, interstate and overseas are part of course credit for humanities and social sciences students. The HASS Connect Mentoring Program brings you together with industry professionals from many diverse careers. Work with our mentors to explore your career pathways and get practical advice.
- **Medicine:** students undertake placements in hospitals and clinics around the world, where they're trained and mentored by doctors and healthcare specialists.
- **Science:** our researchers work with scientific and industry partners ranging from local biotech startups to peak bodies for science, agriculture and environment, through to multinationals like RioTinto and BHP.
- **Extracurricular opportunities:** with UQ's range of entrepreneurship programs, students can access local and global internships and work experience.

Through Ventures, you can build an entrepreneurial mindset, solve industry challenges and pursue business or social-impact opportunities.

The iLab Accelerator also supports students, researchers and alumni through the early stages of business development by providing seed funding and mentoring so they can scale their business or social enterprise.

**UniQuest**, UQ's commercialisation company, has created more than 100 startups while licensed UQ technologies have generated more than \$40 billion in gross product sales.

UQ has been in partnership with Boeing, the world's largest aerospace company, since 2003. Boeing Research & Technology-Australia (BR&T-A) is located at our St Lucia campus. Boeing collaborates with UQ researchers and students on the latest ideas in aerospace, so you can learn from their discoveries and setbacks in the classroom or directly from Boeing staff.

# A truly global network

You know the importance of thinking and acting globally. So do we.

Our worldwide partner and alumni networks give you the international opportunities and connections to enhance your learning, life skills and employment prospects from the start of your degree to long after you graduate.

### Grow your global network

As a UQ student, St Lucia, Herston or Gatton is just the first stop on your university adventure. Grow your global network through our student exchange program by studying up to two semesters of your degree at one of our 141 partner institutions in 34 countries.

You'll gain credit while expanding your world perspective, enhancing your employability, developing your network, and maybe even learning a new language. While on exchange, tuition fees at the host university are waived as you remain enrolled at and pay fees to UQ.

[employability.uq.edu.au/  
get-experiences](http://employability.uq.edu.au/get-experiences)

### Unlock new languages

In a global economy, the ability to communicate with a wide range of people is invaluable. Want to brush up on your language skills? Current undergraduate students can study a Diploma in Languages alongside any UQ program. Language classes are also offered to students and the public at our Institute of Modern Languages, where you can choose from more than 25 different languages.

**School of Languages and Cultures**  
[languages-cultures.uq.edu.au](http://languages-cultures.uq.edu.au)  
**Institute of Modern Languages**  
[iml.uq.edu.au](http://iml.uq.edu.au)

### Take a short-term experience

While studying, you can participate in short-term global and virtual study experiences scheduled during the semester breaks. Immerse yourself in a new culture for two to eight weeks to enhance your academic learning and employability. If you're looking at expanding your practical skillset through short-term work experiences, opportunities for domestic, virtual and global internships are available.

[employability.uq.edu.au/get-  
experiences](http://employability.uq.edu.au/get-experiences)

### Make global business connections

At UQ, you'll join a global network of more than 307,000 graduates, many of whom are leaders in their fields, including more than 15,800 PhDs in 170 countries. You'll benefit from an extensive graduate network, strong industry partnerships and many notable alumni.

[alumni.uq.edu.au](http://alumni.uq.edu.au)

### Global Startup AdVentures

Learn alongside a startup in some of the world's most vibrant startup hot spots – including San Francisco, Shanghai, Shenzhen, Tel Aviv and Singapore.

[ventures.uq.edu.au/startup-adventures](http://ventures.uq.edu.au/startup-adventures)

### Partner for change

Global connectivity is at the heart of our vision to create knowledge leadership for a better world. From renewable energy technologies and sustainable mining practices, to disease control and child psychology, our international collaborations are working towards a cleaner, healthier and happier future. Explore our impact around the world.

[global-engagement.uq.edu.au](http://global-engagement.uq.edu.au)

**GROUP  
OF EIGHT  
AUSTRALIA**

**UNIVERSITAS 21**

We are a member of the prestigious Group of Eight coalition in Australia and the leading global network of research universities, Universitas 21.

**Deborah Riley** (pictured)

Bachelor of Design Studies 1993

Deborah Riley is a four-time Emmy-award-winning production designer and art director. Her portfolio includes award-winning film and television sets like *Game of Thrones*, *Moulin Rouge!* and *The Matrix*. In 2013, she secured a position as Production Designer for TV series *Game of Thrones*, a show which has been widely cited as one of the most successful television shows in history due to its film-like production values with intricately detailed set design and elaborate locations. During this time, she managed an art department in excess of 100 people, across multiple countries. Her work on *Game of Thrones* has won her four consecutive Primetime Emmy awards for Outstanding Production Design.

**Dr John Maunder**

Bachelor of Medicine/Bachelor of Surgery 2016, Bachelor of Engineering (Honours) 2012

In 2012, Dr John Maunder graduated from UQ with a Bachelor of Engineering. On his graduation day, he found out he had Hodgkin's Lymphoma, a rare form of blood cancer. After graduating from Engineering, he realised his passion was in medicine and applied for a Bachelor of Medicine and Bachelor of Surgery at UQ. Despite having to undergo chemotherapy, Dr Maunder was determined to finish his medical program, which he did successfully in 2016. During his treatment, he raised \$100,000 through cancer awareness events. Dr Maunder is passionate about orthopaedic surgery and currently works at the Sunshine Coast University Hospital.

**Tamara Richardson**

Bachelor of Science 2018

Tamara Richardson is the Director and Founder of PACE 48, a multinational youth-led platform that promotes access to cultural education across 48 countries in the Asia-Pacific region. She created PACE 48 in 2016 after struggling to find cultural education resources. What initially started as a Facebook page, with the intention of sharing short videos on cultural content, has evolved into a cultural education organisation. Through this platform, Ms Richardson has grown to be a voice for intercultural relations all over the Asia Pacific region, and she has won several awards in recognition of her accomplishments.

Our **free online course EMPLOY101x** will help you unlock your career potential and market yourself to employers. [edx.org/course/unlocking-your-employability](https://edx.org/course/unlocking-your-employability)

UQ is ranked **57th in the world for graduate employability** (QS Graduate Employability Rankings, 2020).

Over the last three years, UQ's student employability and careers services have been recognised with **multiple national and international awards**.

The **Employability Award** is a structured program that helps you develop the mindset and skills you need to succeed in any path you choose. [employability.uq.edu.au/award](https://employability.uq.edu.au/award)

Our research, teaching and connections prepare you to forge an exciting career. Outside the classroom you can access our career resources and networking events, and participate in our Employability Award to expand your capabilities and mindset. When you graduate, you'll be ready for any challenge.

### Careers Service

Our award-winning Careers Service can help you plan your career, develop your capabilities and gain that competitive edge. We offer workshops in finding work, networking, writing résumés, applying for jobs, interviewing and presentation techniques.

[employability.uq.edu.au/find-a-job](https://employability.uq.edu.au/find-a-job)

### Career portals

UQ offers an exclusive online job board for its students and graduates featuring vacation work, volunteer work, internships, and graduate employment opportunities from over 3000 employers. Our Global Grad careers search portal is just for international students with Australian and international companies posting work opportunities regularly.

[studenthub.uq.edu.au](https://studenthub.uq.edu.au) (login required)  
[globalgrad.uq.edu.au](https://globalgrad.uq.edu.au)

### Student-Staff Partnerships

Enhance your employability and networks by collaborating with staff as equal partners and mutual learners. The Student-Staff Partnerships Program consists of three streams: SSP Projects, Student Representation, and Student Voice. In SSP Projects, influence real change at the University by redesigning courses, co-facilitating events or evaluating courses or initiatives. Become a student representative and contribute to the governance and decision-making processes at UQ. Or have your voice heard through contributing your perspectives via a feedback forum.

[employability.uq.edu.au/student-staff-partnerships](https://employability.uq.edu.au/student-staff-partnerships)

### Employer events and expos

With multiple employability events throughout the year, you can speak with future employers from a diverse range of industries and backgrounds to find the right job for you. Most employers offer roles in graduate recruitment programs and some offer vacation work, internships, work experience, scholarships and co-op programs. We also help you find volunteering opportunities at UQ and within the wider community to give back and boost your career prospects.

[employability.uq.edu.au/events](https://employability.uq.edu.au/events)

### Employability Award

The Employability Award gives you the chance to build capabilities that future employers value, such as leadership, teamwork, communication, problem solving, and cultural awareness. To qualify for the Award, you must complete 100 hours of work experience, 100 hours of volunteering and five supplementary activities, then communicate your potential through an application process. It's free to join and is awarded upon graduation.

[employability.uq.edu.au/award](https://employability.uq.edu.au/award)

# Life at UQ

Become part of our diverse, dynamic and creative community.

As a UQ student, you'll enjoy a range of activities and adventures that will develop your confidence, capabilities and networks – all while making friends for life and enhancing your employability along the way.

# UQ St Lucia

Considered one of the most beautiful campuses in the world, our main campus is a vibrant mix of old sandstone buildings, modern architecture, parklands and lakes. It's a city within a city, with everything you need to study, live and relax.

## Food

UQ St Lucia is full of cafe and food options. From great coffee and bakery food, to salad stations, pizza, vegan and vegetarian options, noodles, bubble tea and juice bars, you won't go hungry or thirsty. Options include organic and halal food.

[uqu.com.au/feeding-u](http://uqu.com.au/feeding-u)  
[instagram.com/uqfood](https://www.instagram.com/uqfood)  
[instagram.com/uqueats](https://www.instagram.com/uqueats)

## Retail

You don't need to leave the campus to do your shopping. There's a bookshop, where you can also sell your secondhand books, a hairdresser, a travel agent, a post office, a newsagency, and a Wednesday market offering handicrafts, gifts, flowers and fashion. Grocery stores are only a short walk away.

[uqu.com.au/feeding-u](http://uqu.com.au/feeding-u)

## Entertainment

Check out UQ Life to see all that awaits you on campus. There is something on every week, and if you can't see anything that grabs you, then get in touch and we can make it happen together (see page 18). UQU, the student union, also offers student welfare activities, competitions and giveaways, and social events.

[life.uq.edu.au](http://life.uq.edu.au)  
[uqu.com.au/entertaining-u](http://uqu.com.au/entertaining-u)

## Fitness and sport

You can access UQ Sport venues year-round at discounted student prices. There's a cardio and weights gym, 50-metre and 25-metre pools, athletics track, floodlit tennis courts, basketball, netball and beach volleyball courts, synthetic pitches, cricket nets, playing fields and much more.

[uqsport.com.au](http://uqsport.com.au)

## Library

You're welcome to use any of our libraries. We have everything you need in a modern university library, like 24-hour study spaces with bookable rooms for group work and low-light spaces for quiet study. Visit the library on campus and online for help from friendly staff who can help you find your way around UQ systems and access the resources you need for your studies.

[library.uq.edu.au](http://library.uq.edu.au)

## Healthcare

If you need to see a doctor, visit our friendly team at the UQ Health Care clinic. There is also a pharmacy and dental clinic on campus.

[uqhealthcare.org.au](http://uqhealthcare.org.au)

[future-students.uq.edu.au/campuses](http://future-students.uq.edu.au/campuses)

## Travel options to UQ campuses

	UQ ST LUCIA	UQ GATTON	UQ HERSTON
	7km from the CBD	5km from Gatton CBD 1 hour from Brisbane 30 mins from Toowoomba	5km from the CBD
	10+ direct bus routes One arrives every 2 mins at the UQ Lakes bus stop	4+ free inter-campus buses daily	2 mins to Inner Northern busway from the CBD
	5+ train stations within 4km	Rail-bus service runs between Brisbane and Gatton	3+ train stations within 2km
	15 mins between each ferry		

# UQ Gatton

Our rural campus is located near the town of Gatton, 87 kilometres west of the Brisbane CBD. It offers a laid-back and friendly lifestyle with on-campus accommodation, a publicly accessible motel and a variety of sporting facilities.

## Food and retail

You can buy food and drinks from the Coffee Pod, Dining Hall and Walkway Café, and you can purchase and sell books at our retail bookshop. There's an on-campus post office, and keep an eye out for the regular events for students in the Central Walkway.

## Teaching and research facilities

The campus houses production animals, horticultural fields, a plant nursery, post-harvest facilities, research laboratories and greenhouses, a wildlife facility, specialist veterinary and equine hospitals, and some of the best animal teaching facilities in the southern hemisphere.

## Fitness and sport

UQ Sport Gatton is home to a heated 25-metre pool, as well as a gym equipped with extensive weights and cardio equipment. You can also take part in group fitness classes every week, or grab a friend and head to the squash, tennis and basketball courts, cricket nets, indoor sports hall, or one of three playing fields.

[uqsport.com.au/gatton](http://uqsport.com.au/gatton)

## Library

UQ Gatton's recently refurbished library provides computers, comfortable furniture and break-out spaces, individual study spaces with acoustic lining, power and USB connectors, height-adjustable desks, meeting rooms, a postgraduate study area, and a 24-hour study space.

## Free inter-campus bus service

UQ provides a free inter-campus bus service between UQ Gatton and UQ St Lucia for students and staff.

# UQ Herston

Just five kilometres from the Brisbane CBD, UQ Herston is the specialist campus for health and medical teaching and research.

UQ Herston is home to our Medicine, Dentistry and Public Health programs, as well as state of the art clinical facilities including:

- Herston Imaging Research Facility
- Oral Health Centre
- RECOVER Injury Research Centre
- UQ Centre for Clinical Research
- Surgical, Treatment and Rehabilitation Service.

UQ shares premises with the Royal Brisbane and Women's Hospital and the QIMR Berghofer Medical Research Institute, creating a health-focused community where students gain practical experience alongside industry professionals and leading researchers.

## **Surgical, Treatment and Rehabilitation Service (STARS)**

STARS is one of the largest tertiary specialist rehabilitation centres in the southern hemisphere, accommodating UQ staff, researchers and students from nursing, occupational therapy, physiotherapy, speech pathology, audiology, nutrition and dietetics, clinical psychology, social work and rehabilitation medicine.

# Your UQ life

Life at UQ is about more than just study. From clubs and societies to sport, art and museums, our campuses play host to events, meet-ups and more that ensure your uni life is as full as you want it to be.

## Join a club

UQ Union has over 220 clubs and societies – find your crew, pursue your hobbies or try something new.

[uqu.com.au/clubs-societies](http://uqu.com.au/clubs-societies)

## Get social

Parties, performances, festivals and films – find a UQ Life or UQ Union event to match

your interests. With a host of entertainment, activities and events across our campuses weekly, you're sure to find something that sparks your interest. You can also create your own groups and build your own social calendar by connecting with other students online via the Virtual Village.

[life.uq.edu.au](http://life.uq.edu.au)

[facebook.com/UQUnion](https://facebook.com/UQUnion)

[instagram.com/uqunion](https://instagram.com/uqunion)

## Get involved

There are many ways you can connect with the UQ community. Develop professionally, create an impact, connect with other students and access exclusive events by getting involved with volunteering, mentoring, student representation and more.

[life.uq.edu.au/get-involved](http://life.uq.edu.au/get-involved)

## See a gig

From indie to orchestral, music can be a big part of your time at UQ. Soak up some live entertainment at the Redroom at St Lucia, including touring acts, local musicians and student bands. Throughout the year, UQ Union brings some of the best live acts to campus for all-age concerts.

If classical is more your style, the School of Music hosts concerts and seminars on and off campus. You can also join UQ music ensembles – auditions are held during O-Week.

[future-students.uq.edu.au/university-life](http://future-students.uq.edu.au/university-life)  
[uqu.com.au/entertaining-u](http://uqu.com.au/entertaining-u)

## Stay active

When it comes to keeping fit, healthy and happy while you study, we've got you covered. Unleash your personal best

with more than 75 sports and activities to choose from, including group fitness classes and social sport competitions, and more than 35 sporting clubs across St Lucia and Gatton campuses.

[uqsport.com.au](http://uqsport.com.au)

### Eat well

Fuel your studies with our wide variety of affordable food and beverage options on campus. You'll be spoiled for choice with our range of cafes, outlets and food trucks that offer vegan, vegetarian and certified halal options.

[uqu.com.au/feeding-u](http://uqu.com.au/feeding-u)

 220+  
clubs and societies

 15+  
retail and specialty stores

 6  
music ensembles

  
  
3,500+  
works in the UQ Art Museum collection

 26+  
food outlets

 5

 10+  
libraries

  
free weekly events

# Studying at UQ

UQ is a diverse community of people from around the world with great ability, creativity, innovation and ambition. Be part of this dynamic community of future leaders, thinkers and changemakers.

# Your program pathways

UQ offers choices that give you flexibility. We understand that academic interests are as diverse as our students. That's why we provide choices to give you flexibility in your learning. You can choose a program that matches your interests, passions and career goals.

## Undergraduate programs

### Bachelor's degree

Bachelor's degrees usually require between three and five years of full-time study, and they generally provide knowledge and skills for work in a specialist area. Within a bachelor's program, you may have to complete compulsory courses and elective courses (normally two units each) and you can often choose areas of study. To be awarded a bachelor's degree, you need to complete the specified total number of units with a certain number of units studied in specific areas.

### Concurrent Diploma in Languages

At UQ, you can undertake the Diploma in Languages concurrently with your bachelor's degree. Students tend to spread the load as extra courses across the duration of their degree, but it's sometimes possible to study several of the required courses simultaneously in one or two semesters. To enrol in the Diploma in Languages, you can apply directly to UQ once QTAC offers you a place at UQ.

### Undergraduate diploma

After you graduate, you may wish to update your qualifications, broaden your knowledge and/or improve your research skills. The 16-unit (equivalent to one-year full-time) Diploma in Arts or Diploma in Science could be just the answer. Subject to performance and entry requirements, completion of these undergraduate diplomas could make you eligible for entry to honours or postgraduate programs.

### Honours

All honours programs at UQ satisfy research training requirements to prepare you to progress to a postgraduate coursework degree, or a higher degree by research, such as a Master of Philosophy, Doctor of Philosophy, Doctor of Biotechnology or Doctor of Veterinary Clinical Science.

An honours degree provides you with skills and knowledge in a specific area. UQ offers two broad options for bachelor's honours degrees:

- a one-year (16-unit) bachelor's honours degree after graduating from a bachelor's degree in the same discipline
- a four-year (or more) bachelor's honours degree, with all students graduating with honours.

For more information on UQ's undergraduate programs, visit [future-students.uq.edu.au/study/programs](https://future-students.uq.edu.au/study/programs)

### Dual programs

A dual program enables you to study for two bachelor's degrees at the same time, in a shorter period than if you were undertaking them separately. This means you can study several areas of interest at once, graduate with two qualifications, and gain extra knowledge and skills to give you a competitive edge in the workforce. If one program has a higher entry score than the other, the higher score applies (see dual programs quick reference table on page 27).

### Study load

A standard study load is eight units per semester, which is usually four courses.

#### Full-time study

An academic full-time load is eight units per semester in most programs. To improve your rank via the 'Tertiary Admission Pathway', a full-time academic workload is recommended to achieve a competitive rank, especially for high-demand programs. A student completing 75 per cent or more of the standard academic workload for a program (i.e. enrolled in at least six units per semester or three to four courses, for most programs) will also be eligible for full-time study benefits.

#### Courses (subjects)

A course is a distinct unit of study within a program. Each course is identified by a code, title and unit value. Courses are usually completed in one or two semesters and most are worth two units; however, some have higher workloads and may be worth four or eight units.

### Course choice

Course selection varies depending on your faculty and program. Some programs have compulsory (core) courses only; others may allow a restricted choice within categories. Others may offer an extended range of courses (electives) and/or you may have to undertake research projects. Check the requirements of your program.

### Enhance your career with postgraduate study

A UQ bachelor's degree is the solid foundation for a successful career, but you may want to enhance your career prospects by continuing on to postgraduate study after you graduate.

UQ offers postgraduate coursework programs (graduate certificates, graduate diplomas, coursework master's, coursework master's (advanced) and professional doctorates) and higher degrees by research (Master of Philosophy, Doctor of Philosophy, Doctor of Biotechnology and Doctor of Veterinary Clinical Science) to equip you with specialist knowledge, upgrade your qualifications, help you get promoted or pave the way for a research career in a variety of industries or academia.

Although postgraduate coursework degrees can lead to a higher degree by research, you may also be required to meet other entry criteria. Contact the UQ Graduate School for more information on research entry requirements.

# Note for B Education (Primary and Secondary) and B Health, Sport and Physical Education (Honours) and B Veterinary Science (Honours): applicants must complete non-academic entry criteria.

k Based on second program requirements.

m Note for B Music: selection is based on audition, interview and academic results.

n Only offered on a part-time basis.

x A graduate entry master's program leading to the same professional qualification is also available.

y Duration varies depending on commencement semester. If commencing in Semester 1, the program can be completed in 4 years full-time, but if commencing in Semester 2, the program can be completed in 4.5 years full-time.

z Students may take the program on a part-time basis, but the final two years must be taken on a full-time basis.

^ Note for B Health, Sport and Physical Education (Honours): this program can be taken on a part-time basis but the final year must be commenced in Semester 1 and taken on a full-time basis.

\* Not all applicants on this ATAR/IB gained entry; finer discrimination within the ATAR/IB was used.

\*\* Note for Doctor of Medicine: not all applicants on ATAR >95 gained entry. UCAT scores were used as a further differentiator and the lowest UCAT scaled score aggregate (Sections 1 to 4) with the UCAT Situational Judgement Test as the second differentiator, and UCAT Section 1 score as the tertiary differentiator, offered was 2870:1:600 for #721302 and 2800:7:580 for #721402 (Jan offer round).

\*\*\* Note for B Dental Science: not all applicants on ATAR 99.95 or equivalent gained entry in 2021. Applicants for the Dental Science program must apply through QTAC (Queensland Tertiary Admissions Centre). They are required to have sat a UCAT test (University Clinical Aptitude Test). This test includes sections on verbal reasoning; decision making; quantitative reasoning; and abstract reasoning, together with a situational judgement test component. For 2021, the first 4 sections were combined to form the UCAT aggregate, which was a secondary differentiator in calculating the rank order for final offers. The lowest UCAT score used for offer selection for the 2021 intake was 2980. From 2022, the aggregate score from all five sections of the UCAT will be used as a primary differentiator.

> Minimum (adjusted) selection threshold 2022 is the minimum score that was considered for an offer of a place to all applicants.

< Lowest ATAR to receive an offer refers to all recent secondary students who were offered a place for Semester 1, 2022. The lowest ATAR (Adjusted) refers to the ATAR plus any adjustment factors. The Lowest ATAR (Unadjusted) refers to the lowest ATAR excluding any adjustment factors.

- Please note: students must be an Australian citizen or permanent resident of Australia prior to completing their undergraduate degree to retain their bonded place in the MD program. The return of service period can change during the first degree study period.

<sup>1</sup> Not available as a specialisation which leads to registration as a psychologist.

<sup>2</sup> Only the Public Health major is offered at the Herston campus.

## Program table explained

BACHELOR DEGREE IN	MINIMUM SELECTION THRESHOLD 2021 ATAR / IB	PREREQUISITES	DURATION (YEARS)	LOWEST ATAR TO RECEIVE AN OFFER 2021		CAMPUS	QTAC CODE
				ADJ	UNADJ		

### MINIMUM SELECTION THRESHOLD 2021 ATAR / IB

The minimum (adjusted) selection threshold is the minimum score that was considered for an offer of a place to all applicants.

**ATAR** – The Australian Tertiary Admission Rank (ATAR) is the standard measure of overall school achievement used in all Australian states and territories. It is a rank indicating a student's position overall relative to other students. The ATAR is expressed on a 2000-point scale from 99.95 (highest) down to 0, in increments of 0.05. From 2021, the ATAR replaced the Overall Position (OP) as the standard pathway to tertiary study for Queensland Year 12s.

**IB** – International Baccalaureate points.

### PREREQUISITES

Specific subjects (or their equivalents) you are required to have completed at school.

### DURATION

The time normally taken to complete a program, according to the mode in which it is undertaken. F = full-time; P = part-time.

**Full-time.** The standard study load is eight units per semester. Full-time study is 75 per cent or more of the standard study load (i.e. six units per semester for most programs).

**Part-time.** Part-time study load is less than 75 per cent of the standard study load (i.e. less than six units per semester for most programs).

### ADJUSTMENT FACTORS

Previously referred to as 'bonus points', these are a numerical value added or used in combination with an ATAR or selection rank. Common adjustment factors may include subject adjustments, enrichment studies, or educational disadvantage.

#### Adjusted

The lowest ATAR to which an offer was made to recent school leavers including any adjustment factors that may have been applied.

#### Unadjusted

The lowest 'raw' ATAR to which an offer was made to recent school leavers, excluding any adjustment factors.

### CAMPUS

*“Studying at UQ is teaching me the skills to face an unknown future because it's about hands-on experience. It's about applying the knowledge that the lecturers teach us and putting into practice every day. I'm learning the skills to talk to businesses, not just the farmers. That's important in agriculture.”*

**Genevieve Laverty**

Bachelor of Agribusiness

# Agriculture, Animal Sciences and Environment

With the world's population set to increase significantly, the sustainable production of food and fibre must keep pace. We also need to manage and solve environmental problems to preserve habitats and biodiversity as towns and cities expand.

## Agriculture and Animal Science

Prepare to shape the future of agriculture and food production. You'll have access to leading programs across agriculture and agribusiness, as well as veterinary, equine and wildlife sciences.

Our hands-on approach to learning ensures that you will be regularly exposed to industry experts and their businesses to gain the expertise and practical experience needed to become a future leader in your field of study.

At UQ's specialist rural campus in Gatton, you will access some of the best specialist agriculture, animal production, equine, wildlife and veterinary facilities and expertise in the southern hemisphere.

## Environment

Learn from Australia's leading environmental experts in programs which allow you to combine your scientific knowledge with the legal, political and social aspects of conservation and environmental management.

Gain real-world skills to understand and manage our changing planet through industry placements and extensive fieldwork experience in diverse environments and ecosystems, including World Heritage rainforests, the Great Barrier Reef, North Stradbroke Island and outback Australia.

## Careers

### Choose this field if you like these subjects:

- Agricultural science
- Biology
- Business management
- Chemistry
- Earth and environmental science
- Economics
- Geography
- Marine science
- Mathematics
- Physics

### Our undergraduate programs can lead to careers in:

- Agribusiness
- Agronomy and horticulture
- Animal production
- Animal health and welfare
- Business and government
- Crop and pasture production
- Ecotourism
- Environmental management
- Environmental science
- Equine science
- Farm management
- Food and fibre production
- Food processing
- Food science and technology
- Land management
- Livestock management
- Marine management
- Natural resource management
- Parks and recreation facility management
- Sustainability management
- Veterinary practice
- Wildlife and nature conservation

## BACHELOR OF AGRIBUSINESS

World's **Top 5** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
766001	2007	77.00 / 27	77.70	77.70	3 years full-time (or part-time equivalent)	1	Gatton, St Lucia	N/A	Agricultural Science, Equine Science, Wildlife Science	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics or Mathematical Methods (Units 3 & 4, C)

### Program overview

Discover the commercial world behind agriculture and the value chain that links producers and consumers. As an agribusiness professional, you will use technology and contemporary business practices to manage agricultural enterprises. You will be trained to lead organisations that feed and clothe the world, and you will apply the latest concepts in marketing, human resource management, finance and operations to local, national and multinational enterprises. The program has been developed in collaboration with the food and fibre industry, so you will acquire up-to-date

knowledge of farming, agricultural sustainability, food security, crop production, livestock and horticulture, and the management of logistics, human resources and marketing. You will participate in site visits, case studies and research projects, and undertake a major group project with an agribusiness company in your final year.

### Program features

★ UQ is ranked 1st in Australia and 2nd in the world (Performance Ranking of Scientific Papers for World Universities 2021).

### Career opportunities

Graduates work across all aspects of the agricultural sector in managerial or specialised roles relating to supply chain management, distribution, export marketing, financial planning, lending, insurance, commodity trading, policy development, agribusiness research or natural resource management.

## BACHELOR OF AGRICULTURAL SCIENCE

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
762019	2448	77.00 / 27	77.55	77.55	3 years full-time (or part-time equivalent)	1	Gatton	Additional year of study	Agribusiness	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics or Mathematical Methods (Units 3 & 4, C)

### Program overview

If you want to shape the future of food and fibre farming, consider a career as an agricultural scientist, and help solve issues like climate change, food security, sustainability and agricultural productivity. The three-year program offers a broad range of courses covering biochemistry, microbiology, genetics, animal nutrition, land use and the environment, agri-economics and international agricultural development. Learn from world-class academics who have an active research

focus and strong industry connections and embark on your career with a globally respected qualification.

### Areas of study

Agronomy • Animal Science • Horticulture

### Program features

★ Undertake 120 hours of industry experience to apply your knowledge of current and emerging trends in agricultural innovation.

### Career opportunities

Graduates work as agronomists, horticulturalists, agricultural consultants, agricultural business managers, resource economists, research scientists, inspection officers and government policy advisers.

## BACHELOR OF ENVIRONMENTAL MANAGEMENT (HONOURS)

World's **Top 20** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
705101	2376	80.00 / 29	80.30	80.30	4 years full-time (or part-time equivalent)	1, 2	St Lucia	Part of standard program, awarded based on cumulative weighted grade point average	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

Discover how to critically assess the causes of global environmental problems as you build your knowledge in developing and managing solutions to address them.

You'll gain a foundation in environmental sciences including biology, ecology and geography with the added focus on social, business and economic disciplines, decision-making, problem-solving and policy analysis.

A compulsory industry placement course in your third year will provide you with experience in the workplace

and an understanding of the factors involved in the operation and management of environmental issues. Graduate with an internationally respected qualification, with expertise that will set you apart in a competitive job market and provide a pathway to future research or learning.

### Program features

★ For your final-year research or industry placement project, you will develop and apply evidence-based strategies to sustainably manage complex real-world issues that affect a range of natural or urban environments.

### Career opportunities

Graduates work in managerial, research, administrative and educational roles in national parks and wildlife conservation; environmental assessment and compliance; natural resource management, including coastal, river and catchment systems; policy development; government and commercial consultancies in environmental planning and management; mining; environmental tourism; and environmental management.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF ENVIRONMENTAL SCIENCE

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
738001	2458	84.00 / 30	85.00	84.10	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C); and one of Biology, Chemistry, Earth and Environmental Science or Physics (Units 3 & 4, C)

### Program overview

Equip yourself with the expertise and skills to understand the impacts of climate change and devise strategies to improve sustainability, manage ecosystems, preserve global biodiversity and secure clean water and food. You'll gain the scientific knowledge and practical experience in ecology, conservation, environmental toxicology, natural resources and decision science necessary to understand and manage our changing planet. Plus, you'll combine your scientific skills with

understanding of the legal, political and social aspects of environmental management. You'll also undertake extensive practical field-based activities in diverse tropical and sub-tropical ecosystems.

### Program features

★ UQ's field of environmental sciences is ranked 1st in Australia (QS World University Rankings 2021).

### Career opportunities

Graduates work as environmental monitors, impact assessors and managers, natural resource managers, national parks and wildlife conservationists, policy advisers, and teaching and research scientists.

### More information

## BACHELOR OF EQUINE SCIENCE

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
787109	2385	75.00 / 26	75.30	73.75	3 years full-time (or part-time equivalent)	1	Gatton	Additional year of study	Agribusiness	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics or Mathematical Methods (Units 3 & 4, C)

### Program overview

Study horses and their welfare, behaviour, nutrition, reproduction, health, rehabilitation, exercise and physiology to improve their management, performance and welfare. You will build a strong understanding of animal biology and chemistry before specialising in agricultural biochemistry, horse behaviour, physiology, biomechanics, breeding, nutritional physiology and diet.

### Program features

- ★ Access an extensive range of facilities at UQ's Gatton campus, including breeding and horse-handling facilities, day yards and stabling amenities.
- ★ You'll work extensively with horses from the UQ Australian Stock Horse stud, alongside UQ's expert instructors and lecturers.
- ★ UQ's equine unit consists of 110 horses, a horse walker, round yards, performance testing facilities, a reproduction laboratory, holding yards, teasing lanes and equestrian training arenas.

### Career opportunities

Work in agribusiness, animal nutrition and health companies, bloodstock agencies, breed societies, equestrian centres, journalism, horse studs, pre-conditioning and training businesses, racing stables, sales, marketing and statutory bodies administering racing and trotting.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF VETERINARY SCIENCE (HONOURS)

World's **Top 50**

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
736002	2378	99.40 / 43	99.60	94.95	5 years full-time	1	Gatton	Part of standard program, awarded based on grade point average of specific courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Chemistry (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C); and one of Physics or Biology (Units 3 & 4, C). Applicants must also complete a situational judgement test in the year of application

### Program overview

UQ's Bachelor of Veterinary Science (Honours) is a registrable degree program that allows you to practise as a veterinarian. Attracting some of the highest achieving students from Australia and internationally, this program produces veterinarians who are in high demand around the world. As a UQ vet student, you will learn how to diagnose, treat and prevent diseases and injuries in companion, domestic, exotic, wildlife and production animals. You will develop skills and knowledge in veterinary medicine, surgery, anaesthesia and radiology in commonly treated animal species as well as wildlife, avian and exotic pets. You will graduate with expert animal handling and clinical skills, with a

final year spent entirely in hospitals and clinics. You will also receive comprehensive biomedical training that can lead to careers in research, industry and government.

### Program features

- ★ UQ's field of veterinary science is ranked 26th in the world (QS World University Rankings by Subject, 2021).
- ★ Study Australia's only internationally accredited undergraduate Veterinary Science program.
- ★ During your degree you will gain work experience in UQ hospitals, farms, veterinary clinics and other animal health enterprises in Australia or internationally.

### Career opportunities

Graduates are qualified to work as a general veterinary practitioner for large or small animals in Australia and overseas. You can also consult for animal disease control, pharmaceutical or biotechnology companies; work as an educator or researcher in universities or government departments; or work in efficient animal production. UQ's accredited degree allows graduates to register to practise in Australia, North America, the UK and most European and Asian countries.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF VETERINARY TECHNOLOGY

World's **Top 50**

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
787309	2387	78.00 / 28	78.20	74.95	3 years full-time (or part-time equivalent)	1	Gatton	Additional year of study	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics or Mathematical Methods (Units 3 & 4, C). Biology, Chemistry and/or Physics are recommended subjects

### Program overview

Develop your theoretical and practical skills to become a para-veterinary healthcare specialist, working in animal health and welfare. You will build a base in biological science by studying the mechanisms of animal disease and diagnostic techniques, clinical aspects of small and large animal health, applied and clinical nutrition, veterinary pharmacology and animal therapeutics. Select from a wide range of elective courses to focus your skills or to pursue an area of interest.

### Program features

- ★ You can also enhance your skills by concurrently enrolling in the Certificate IV in Veterinary Nursing, the Certificate III in Rural Operations or the Farm Ready program.
- ★ Experience at least 80 hours of practical sessions in your first and second years, and off-campus studies of 30 days. In your third year, you will complete a seven-week industry placement in any approved veterinary-related field.

### Career opportunities

Graduates typically work as support staff in veterinary practices as veterinary emergency and critical care technicians, veterinary practice managers, animal behaviour and training instructors, animal research technicians or supervisors, biosecurity inspectors and project support officers with government agencies.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF WILDLIFE SCIENCE

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
787209	2388	75.00 / 26	75.05	71.15	3 years full-time (or part-time equivalent)	1	Gatton	Additional year of study	Agribusiness	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics or Mathematical Methods (Units 3 & 4, C). Biology, Chemistry and/or Physics are recommended subjects.

### Program overview

Learn how to implement and evaluate management and conservation programs for captive and freely roaming wildlife. You'll study wildlife anatomy, physiology, reproductive biology, breeding, genetics, nutrition and health. Gain skills in wildlife trapping, identification and animal handling during industry placements in zoos, sanctuaries, wildlife parks, government agencies and welfare organisations

### Program features

- ★ You will work with UQ Gatton's wildlife scientists, who are involved in the conservation and management of non-captive and captive wildlife, as well as exotic animals in Australia and overseas.
- ★ You will be involved in a privately funded, landscape-scale conservation program and participate in routine management and research on both captive and free-living wildlife (see [hiddenvalewildlife.uq.edu.au](http://hiddenvalewildlife.uq.edu.au)).

### Career opportunities

Graduates are employed in research, management and education in agriculture and tourism; managing animal welfare and research programs; in government departments researching and managing feral animals; in conservation, land management and ecotourism, environmental consultancies, vertebrate pest and game management, in wildlife sanctuaries and zoos.

### More information

711202	2293	86.00 / 32	86.15	81.75	3 years full-time	1	St Lucia	Not applicable	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

As an architect, you will imagine and design spaces that are beautiful and functional, inside and out. The Bachelor of Architectural Design – the first step to becoming a professional, registered architect – provides you with the knowledge and technical skills to complement your creativity, preparing you to shape our built environment and design the cities and spaces of tomorrow. From your first year, you will learn about the history of buildings and culture, architectural design principles, terminologies and technologies, the relationship between society and built environments, and the evolution of style. You will also learn how to design in response to climate and context, from lecturers who have strong, local industry links and international perspective, and teach in studio-based design courses, which provide you with opportunities to develop special areas of interest.

### Program features

- ★ Access dedicated studio facilities 24 hours a day, seven days a week, as well as state-of-the-art library, model making, construction and technical laboratory facilities.
- ★ Well-resourced teaching spaces ensure you are learning the latest technologies used in the design and communication of architecture.
- ★ Learn by making – we emphasise the importance of practical skills so that you can realise your most imaginative ideas through models, sculptures and structures.
- ★ Benefit from a strong student and academic community as well as engagement and empowerment from practising architects.
- ★ With a unique focus on Indigenous architecture across the globe, you will investigate solutions to social problems and ways architectural design can effect social change.

### Career opportunities

Graduates are employed with architects and in allied design professions, government departments, statutory bodies, local authorities, commercial development companies or research organisations. Overwhelmingly, Bachelor of Architectural Design graduates progress to the Master of Architecture program, which provides the necessary postgraduate skills, experience and qualifications to register as a professional architect.

## BACHELOR OF DESIGN

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
711203	2454	86.00 / 32	86.35	84.35	3 years full-time (or part-time equivalent)	1, 2	St Lucia	-	Business Management, Engineering (Honours)	Queensland Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

Discover how you can design creative solutions for people and a better world. This program will give you contemporary and creative skills to explore career options across any industry. From communication or industrial design to spatial and human-centred design, you will develop expertise in the area that interests you most. You will learn the core principles of design across six design studio courses where you will unpack the design process and apply it across many disciplines including urban farming, chronic illnesses, or social enterprises. The studio-based projects are practical, where you will work in teams to collaborate, challenge assumptions, prototype innovative and sustainable

solutions, and systematically solve problems in creative and novel ways.

### Areas of study

Anthropology • Buildings and Environments • Environment and Society • Information Environments • Innovation and Entrepreneurship • Media and Digital Cultures

### Program features

- ★ This program is specifically designed for those interested in creativity and the role design plays in shaping communities, organisations and businesses.
- ★ Learn the core principles of design across six hands-on design studio-based projects.

### Career opportunities

As a designer, you'll possess the expertise and creativity to respond to the complex needs of a contemporary world. Depending on which major you choose, you could pursue a career as a business entrepreneur, environmental graphic designer, user-experience designer, product designer, design manager, change manager, urban designer, strategic adviser or digital media designer.

The major in Buildings and Environments is a pathway to the Master of Architecture.

## BACHELOR OF REGIONAL AND TOWN PLANNING

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
702002	2063	80.00 / 29	80.30	79.35	4 years full-time (or part-time equivalent)	1, 2	St Lucia	At the end of year 3, eligible students will have the option of transferring to an honours year with a research project, or to complete fourth year by coursework	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

Urban and regional planners are essential to managing larger and more urbanised populations. Urban planners help create vibrant communities and improve the quality of life for people in cities and regions by shaping the physical settings they interact with. In this program, you will learn how to plan cities and communities in their entirety, from land use, transport, infrastructure and urban design, through to real estate markets, investment, sustainability, regulatory frameworks and community consultation. Develop the knowledge and skills needed to help communities, companies and governments integrate the environmental, economic and social aspects of development. UQ graduates are valued by

employers for their extensive knowledge and skills to make environmentally, socially and economically sustainable decisions. Become a leader in this growing field to help shape the future of our local, regional, national and global communities.

### Program features

- ★ You will undertake a planning project each year, where you will work with industry, government and community partners on real-life projects.
- ★ Choose to internationalise your studies by enrolling in field studies courses to Indonesia and Hong Kong, which focus on the development of cities and urban areas.

### Career opportunities

Graduates are employed in areas such as urban design, statutory planning, strategic planning, regional development, environmental management and monitoring, technology for planning, spatial planning, commercial and industrial development, engineering and architectural firms, heritage and conservation, land-use planning, planning law and practice, resource management, social planning, tourism, and transport and infrastructure planning.

**Sociology**

**46th in the world**

QS World University Rankings by Subject 2021

**45+**  
study areas

**One of the widest ranges  
of options in Australia**

*“I think it helps to be really well-rounded, but on top of that, to be unique and embrace what sets you apart. It's about taking the skills you've learnt as a base and then applying them to your passions. UQ has equipped me with these skills to be able to adapt. They're really transferable skills, like learning how to write, how to produce content, and how to work with lots of different social media platforms.”*

**Dianne Mai**

Bachelor of Communication /  
Bachelor of Arts

# Arts, Communication, Humanities and Social Sciences

The humanities and social sciences supply two-thirds of Australia's workforce.

Capable of working across disciplines and adept at finding solutions to complex problems, HASS graduates are essential for a sustainable, ethical and inclusive society. They embrace curiosity, daring to think bigger and broader to understand the world - then make it better.

Take the opportunity to explore your ideas and turn today's passion into tomorrow's profession.

## BACHELOR OF ADVANCED HUMANITIES (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
757101	2414	90.00 / 34	90.40	88.95	4 years full-time (or part-time equivalent)	1	St Lucia	Part of standard program, awarded based on grade point average of specific courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)
757201	2414	95.85 / 38	95.85	93.80					

### Program overview

This is a stimulating and challenging program for high-achieving students with a keen interest in the humanities. You will engage with leading humanities researchers from your first year of study and participate in the University's research culture, applying and developing your analytical skills through practice-led learning.

### Areas of study

Ancient History • Art History • Drama • English Literature • History • Music • Philosophy • Studies in Religion • Western Civilisation

### Program features

- ★ UQ is ranked 2nd in Australia for social sciences and humanities (CWTS Leiden Ranking, 2021).
- ★ 15 scholarships of \$30,000 per year are available to eligible students studying the Western Civilisation extended major.

### Career opportunities

Your research training and critical thinking will give you an edge in rapidly changing work environments, where logical reasoning, creative thinking and communication skills are essential.

### Program overview

The Bachelor of Arts provides you with creative and critical thinking skills that help you build a portfolio of skills and capabilities that can be transferred across industries. With one of the most comprehensive course offerings in Australia, you have the opportunity to explore the subjects you love by choosing from more than 45 study areas across the humanities, social sciences and languages. You'll have access to a range of internships, work experience opportunities and fieldwork tailored to your career aspirations. These will allow you to develop professional skills, build powerful networks, and thrive in the ever-changing workplace.

History • Anthropology • Archaeology • Art History • Australian Studies • Chinese • Chinese Translation and Interpreting • Criminology • Drama • Economics • English • English as an International Language • English Literature • Film and Television Studies • French • French Advanced • Gender Studies • Geography • German • History • Indonesian • International Relations • Italian • Japanese • Japanese Advanced • Journalism and Mass Communication • Korean • Latin • Legal Education Studies • Linguistics • Mathematics • Media and Digital Cultures • Music • Music Psychology • Peace and Conflict Studies • Philosophy • Political Science • Popular Music and Technology • Professional Writing and Communication • Psychology • Russian • Sociology • Spanish • Sports Studies • Studies in Religion • Writing

### Program features

- ★ UQ's field of arts and humanities is ranked 1st in Queensland (QS World University Rankings 2021).

### Career opportunities

A degree in Arts will prepare you for not just one job, but many. The skills you will gain in leadership, creativity, problem-solving, empathy and communication are increasingly relevant to Australia's current and future workforce. Your specialist knowledge and skills will be prized by all industry sectors, making you agile, adaptable and highly employable.

## BACHELOR OF COMMUNICATION

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
741001	2507	78.00 / 28	80.00	80.00	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Arts, Business Management, Journalism	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

The Bachelor of Communication has been designed to respond to employer demand across the media and communication industries. The program will prepare you for a lifetime of creative and critical use of media and communication in industries, government and communities. You will gain a strong foundation in writing, industry engagement - including internships, practice and production skills - and critical thinking. You will develop expertise in multimedia and online content production, social media engagement and analytics, community and stakeholder engagement, and campaign development.

### Areas of study

Digital Media • Public Relations

### Minors

Digital Media • Interaction Design • Journalism • Public Relations • Writing

### Program features

- ★ You will have access to a media lab, audio recording and production rooms, a digital radio studio and control room, and a video production studio and post-production suite.

### Career opportunities

Communication is an expanding area of employment and the Bachelor of Communication prepares you for careers in public relations, advertising, media planning and analysis; film and television; web design and management; organisational communication; community engagement; and more.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF CRIMINOLOGY AND CRIMINAL JUSTICE (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
718101	2408	80.00 / 29	80.05	75.50	4 years full-time (or part-time equivalent)	1	St Lucia	Part of standard program, awarded based on grade point average of specific courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

This program focuses on professional practice and criminal law, providing you with high-level, industry-relevant skills to compete favourably in the growing international justice and criminology employment markets. As a criminologist, you will understand how the justice system works, why people commit crimes, and have the skills and knowledge to contribute towards preventing and controlling crime and social

problems that face contemporary society. Note: This program is currently under review. Please visit [future-students.uq.edu.au](http://future-students.uq.edu.au) for up-to-date information but note, changes may not be reflected there until late 2022.

### Program features

- ★ The only undergraduate degree in criminology in the world that has three years of law courses built into the program.

### Career opportunities

You will be well positioned for a career at all levels of government, local companies and global corporations, and a range of non-government treatment and social service agencies.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF INTERNATIONAL STUDIES

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
707111	2316	84.00 / 30	84.00	82.10	3 years full-time (or part-time equivalent)	1	St Lucia	Additional year of study	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

The Bachelor of International Studies focuses on developing language skills and knowledge of global issues from the perspective of relevant social science disciplines. Each student completes an area of study in a language other than English from the wide range of languages taught at UQ and another area of study with strong international relevance. Students develop cultural awareness to effectively communicate across linguistic, cultural and political boundaries.

### Areas of study

Chinese • Chinese Translation and Interpreting • Economics • French • French Advanced • German • Indonesian • International History • International Inequality and Development • International Relations • Italian • Japanese • Japanese Advanced • Korean • Peace and Conflict Studies • Spanish

### Program features

★ UQ is ranked 1st in Queensland for politics and international studies (QS World University Rankings 2021).

★ UQ offers Queensland's most comprehensive selection of languages.

### Career opportunities

Students in this program are typically interested in pursuing a career with an international agency, the global private sector, government or non-profit organisations such as UNESCO, UNICEF or the World Health Organization.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF JOURNALISM

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
737001	2040	80.00 / 29	80.00	80.00	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Arts, Business Management, Communication, Laws (Honours), Science	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

UQ's Bachelor of Journalism has been designed to meet the expectations of the digital landscape. This program will prepare you for a professional career researching, reporting, writing and telling stories across digital, print, radio and television. Benefit from a progressive program that keeps pace with industry, where you will learn the principles and practices of new digital media production. Gain sought-after skills in field recording and camerawork; editing of sound, vision and pictures; data analysis; publishing; and multimedia platform distribution. Prepare for a versatile and adaptable career with access to an onsite media and production support

team, as well as industry professionals and fieldwork and internship opportunities.

### Areas of study

Digital Media • Economics • Film and Television • Political Science • Popular Music and Technology • Public Relations • Sports Studies • Writing

### Program features

★ The School of Communication and Arts has its own digital media channels where the students are responsible for generating all content.

★ Industry-based work-integrated learning is a key part of the program.

### Career opportunities

Graduates are often employed as journalists; feature writers; magazine editors; news editors; directors of content and media production; digital journalists or bloggers; television and radio presenters, producers, researchers and writers; media advisers; programming associates and professionals; and photojournalists. Others are sought after for their ability to tell compelling stories in communications or corporate publishing roles.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF MUSIC (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
723002	2355	Selection is based on an audition, interview and academic results, so cut-offs do not apply	4 years full-time	1	St Lucia	Part of standard program, awarded based on grade point average of specific courses	Arts, Education (Secondary), Science	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); and audition/interview; a pass in a test of practical ability and musicianship skills. For an audition to be at a competitive standard, the repertoire performed should be comparable to Australian Music Examinations Board (AMEB) Grade 7

### Program overview

If you wish to pursue a professional career in music, the Bachelor of Music (Honours) will provide you with practical skills combined with theoretical and historical musical knowledge, a thorough understanding of music theory and advanced research training in your chosen music honours field. You will have the opportunity to take part in masterclasses, recitals, and major public concerts at venues like the Queensland Performing Arts Centre.

### Program features

★ Work with staff and alumni who are acclaimed nationally and internationally as performers, teachers and composers.

### Career opportunities

On graduation, you will be well equipped to pursue a range of careers including arts administration; composition, arrangement or conducting; professional performance; recording/sound engineering; music education; music journalism; diversional therapy

(further study required). **Note:** If you wish to specialise in music education, enrol in the five-year dual program of Bachelor of Music (Honours) / Bachelor of Education (Secondary).

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF SOCIAL SCIENCE

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
747001	2506	76.00 / 27	76.15	76.15	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Arts	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

Social science is the scientific study of society. It's about studying those patterns, relations and cultures between people that shape communities. If you are interested in how the social world works and want to make it a better place, choose to study a Bachelor of Social Science at UQ. This program will see you develop a strong grounding in social justice, policy research and links to industry. A number of different disciplines make up the social sciences – from sociology and policy studies, through to geography, political science, international relations and anthropology. It is an area of study tasked with addressing pressing social issues, including poverty and inequality, Indigenous peoples and injustice, health

and illness, and the social impacts of climate change. Engage in courses that propel you to address the major social challenges of our time with a strong ethical compass, and develop transferable analytical skills that will continue to be in high demand with employers around the globe.

### Areas of study

Development • Environment and Society • Health and Social Policy

### Program features

★ UQ is ranked 2nd in Australia for social sciences and humanities (CWTS Leiden Ranking, 2021)

### Career opportunities

You will be equipped with relevant skills including policymaking and advocacy, public communication, cross-cultural awareness, report writing, project management and social research skills. These skills enable graduates to seek employment with government departments, community service and advocacy agencies, healthcare providers, non-governmental organisations (NGOs), and in the business / private sector.

## BACHELOR OF ADVANCED FINANCE AND ECONOMICS (HONOURS)

World's Top 50 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
714311	2140	99.00 / 42	99.00	95.05	4 years full-time (or part-time equivalent)	1	St Lucia	Part of standard program, awarded based on grade point average of specific courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods or Specialist Mathematics (Units 3 & 4, C)

### Program overview

This program aims to develop your analytical and technical skills to help you become a leading economist or financier in investment banking, capital markets, equity or venture capital, or the public sector. You'll study topics like how policy can affect economic and social outcomes, the effect of the Global Financial Crisis (GFC) on economic theory and monetary policy, and common financial issues facing most companies. As the program is highly structured, you'll develop strong networks within your small cohort. At the end

of your third year, you'll choose to major in either economics or finance, or to complete a more general pathway by undertaking electives, an individual research topic, and a team project.

### Areas of study

Economics • Finance

### Program features

★ UQ's field of accounting and finance is ranked 48th in the world (QS World University Rankings by Subject 2021).

### Career opportunities

Potential career pathways include investment banking, funds management, management and financial consulting, economics, international finance and trade, or employment with government agencies such as the Reserve Bank of Australia.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF BUSINESS MANAGEMENT

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
709001	2171	78.00 / 28	78.00	73.50	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Arts, Commerce, Communication, Computer Science, Design, Economics, Education (Secondary), Engineering (Honours), Information Technology, Journalism, Laws (Honours), Mathematics, Science, Tourism, Hospitality and Event Management	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); and one of General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C)

### Program overview

Gain a deep understanding of core business methods and choose from seven areas of study to best position yourself for success in your chosen career path. You'll explore topics like management concepts, startups, the role of information systems in business, contemporary employee-employer relationships, and the science of marketing in organisations and society. With an emphasis on practical experience and industry engagement, our students graduate with the skills and confidence to be effective business

leaders in competitive and rapidly changing business environments.

### Areas of study

Business Economics • Business Information Systems • Human Resources • Innovation and Entrepreneurship • International Business • Leadership and Management Science • Marketing

### Program features

★ Our courses reflect the world right now and address evolving issues such as business disruption, entrepreneurship and new technologies.

### Career opportunities

Graduates typically take leading roles in companies, agencies and organisations across private and public sectors, from small startups to huge organisations. Specific roles, industries and sectors you might work in largely depend on your areas of study.

### More information

### Program overview

Equip yourself with the knowledge, focus and skills for a career in accounting, banking, finance or business analytics. After examining the fundamental principles of commerce, you'll learn how you can apply and adapt them in response to specific challenges faced by businesses. You'll build specialised knowledge and skills by studying up to two majors. With four diverse majors to choose from, you can deep dive into your area of interest.

### Areas of study

Accounting • Business Analytics • Business Information Systems • Finance

### Program features

★ UQ's field of accounting and finance is ranked 48th in the world (QS World University Rankings by Subject 2021).

### Career opportunities

Graduates are in demand for roles in accounting and consulting firms, financial institutions, merchant banks, government departments and agencies, as well as multinational corporations as professional accountants, investment analysts, brokers, bankers or financial managers.

## BACHELOR OF ECONOMICS

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
714001	2467	85.00 / 31	86.60	85.10	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Arts, Business Management, Commerce, Engineering (Honours), Laws (Honours), Mathematics, Science	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C).

### Program overview

Economics is about more than just markets, trade and prices. It's the study of people – why (and how) we make decisions and how we can predict human behaviour. In this program, you will study microeconomics, macroeconomics, cost-benefit analysis and electives from more than 35 courses. You will learn a range of statistical, mathematical and analytical tools that can be used to explain why individuals, organisations and governments make the decisions they do.

### Areas of study

Economics and Public Policy • Economics of Strategy and Behaviour • International and Financial Economics • Quantitative Analysis

### Program features

★ UQ's School of Economics is ranked in the top two economics departments in Australia (RePEC, November 2021).

### Career opportunities

Economics graduates are highly sought after by

employers. You could work as an analyst, adviser, consultant, economist or researcher in a range of fields including international consulting, infrastructure development and planning, finance, investment and trade, natural resources, treasury or statistics.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF LAWS (HONOURS)

World's Top 50 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
718001	2471	98.00 / 41	98.00	95.30	4 years full-time (or part-time equivalent)	1	St Lucia	Part of standard program, awarded based on grade point average of specific courses	Arts, Business Management, Commerce, Computer Science, Economics, Humanities, Journalism, Science	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

### Program overview

This is one of the most highly regarded law degrees in Australia, offering a thorough understanding of the concepts, principles and values of the law, both within Australia and other jurisdictions. This program promotes high-level knowledge and advanced legal skills. You will build a strong foundation in legal research, writing, reasoning, analysis and interpretation through critical, rational and analytical thinking. Your academic studies will be supported by wellbeing programs, and will be complemented by opportunities to participate in a world-class moot program and the award-winning Pro Bono Centre.

### Program features

★ UQ's field of law is ranked 1st in Queensland and 43rd in the world (QS World University Rankings by Subject 2021).  
★ You can participate in moot and pro bono activities and have 24/7 access to the Walter Harrison Law Library including study spaces.

### Career opportunities

Graduates are employed as barristers or solicitors in private practice, public prosecutors, community lawyers, legal officers, and in-house counsel for large companies, while others pursue careers in areas such as investment

banking, insurance, government and international relations, property development and management, or in the consulting industry, with industry associations, lobby and environmental groups, community service organisations, or legal aid centres. The Bachelor of Laws (Honours) fulfils the academic requirements for admission as a legal practitioner in Australia. Further practical legal training is required before admission.

## BACHELOR OF POLITICS, PHILOSOPHY AND ECONOMICS (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
714112	2412	94.00 / 37	94.50	92.50	4 years full-time (or part-time equivalent)	1	St Lucia	Part of standard program, awarded based on grade point average of specific courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); and Mathematical Methods or Specialist Mathematics (Units 3 & 4, C)

### Program overview

This program offers a cross-disciplinary perspective that combines broad and rigorous training in the foundations of politics, philosophy and economics. You will study all three disciplines and examine current and future global challenges. Additionally, you will gain versatile skills to address complex and challenging issues, drawing on a historical, social, political and economic knowledge base.

### Areas of study

Economics • Philosophy • Politics

### Program features

★ Study at the only university in Queensland to offer a Bachelor of Politics, Philosophy and Economics (Honours).

### Career opportunities

Graduates are employed in analytical and decision-

making positions in the public, private and not-for-profit sectors, in roles such as an economic or social analyst, policymaker, political adviser, and as a leader in international affairs and the diplomatic services.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF TOURISM, HOSPITALITY AND EVENT MANAGEMENT

World's Top 30 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
777001	2473	78.00 / 28	78.55	77.95	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Arts, Business Management	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C)

### Program overview

This program will develop your managerial skills and business acumen so you can plan, organise and deliver exceptional experiences in tourism, hospitality or events. Develop your core knowledge with compulsory courses in business management, marketing, tourism, hospitality, events and business law. Then, specialise in tourism and event management or hotel and hospitality management.

### Program features

★ UQ's field of hospitality and leisure management is ranked 31st in the world (QS World University Rankings by Subject 2021).  
★ UQ is the only university in Australia to be certified with the United Nations World Tourism Organization (UNWTO) TedQual certification, which promotes responsible, sustainable and accessible tourism.

### Career opportunities

With advanced management training and impressive professional networks, you will be well positioned for

a promising career. Our graduates are in high demand with employers both locally and internationally in a range of fields such as travel consultancy, festival management, sponsorship and fundraising, and hotel and resort management.

### More information

### Areas of study

Hotel and Hospitality Management • Tourism and Event Management

## Education

# 30th in the world

QS World University Rankings by Subject 2021

*"I've learnt that it's a very valuable skill to be adaptable. To be able to adapt to online learning as well as on-campus learning. It's quite a challenge, but it's something you adapt to and overcome. And these are very valuable skills for the rest of the degree and into the workplace. I'm definitely looking forward to the placements. You get to apply all the knowledge that you've learnt, and get to teach kids."*

### **Jason Cazzulino**

Bachelor of Education (Primary)

# Education

Great teachers encourage curiosity and inspire inquisitive minds. As a teacher, your impact can last a lifetime.

Teaching is a rare profession that allows you to make a difference in the lives of your students. In our initial teacher education programs, we prepare you for the exciting work in primary and secondary classrooms, where you will build on sound theoretical foundations to merge content knowledge with understanding how your students learn. Your creative skills will be enhanced as you combine university studies with practicum experiences in a range of contexts. Our school is globally engaged and locally committed so you will gain an understanding of local and world contexts.

Graduates are eligible to apply for registration with the Queensland College of Teachers (QCT) and to teach in state and independent schools in Australia and many countries around the world.

## Careers

### Choose this field if you like these subjects:

- Art
- Drama
- English
- Geography
- History
- Languages
- Legal Studies
- Mathematics
- Media studies
- Music

- Physical education

### Our undergraduate programs can lead to careers in:

- Curriculum development
- Education leadership
- Educational research
- Guidance and career counselling
- High school teaching
- Language teaching
- Mentoring
- Music teaching
- Primary school teaching

**Over 94 per cent of UQ Education graduates are offered full-time employment within four months of graduation.**

Good Universities Guide

## BACHELOR OF EDUCATION (PRIMARY)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
742401	2306	76.00 / 27	77.10	77.10	4 years full-time	1	St Lucia	Additional year of study	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C); and one of Biology, Chemistry, Physics, Agricultural Science, Marine Science, Earth and Environmental Science, or Psychology (Units 3 & 4, C)

### Program overview

As a primary school teacher, you will encourage children's curiosity and inspire their inquisitive minds. This four-year program will provide you with the high-level academic knowledge and professional skills necessary to foster children's learning and development from Prep (the first year of school) through to Year 6. You will cover all aspects of the Australian Curriculum, while developing vital knowledge about teaching and learning, child development, diversity and inclusion, and Indigenous education. You will complete placements and a final-year internship to demonstrate your competence to meet the Queensland College of Teachers' professional standards.

Note: Students who already have an approved undergraduate degree and want to become a teacher can apply for the Master of Teaching (Primary) and qualify as a teacher after two years of full-time study.

### Program features

- ★ UQ's field of education and training is ranked 30th in the world (QS World University Rankings by Subject 2021).
- ★ You will be ready to enter the classroom after a minimum of 80 days of supervised professional experience across your program, and will experience a range of schools and variety of primary year levels.

### Career opportunities

Graduates are eligible to apply for registration with the Queensland College of Teachers (QCT), as well as other authorities, to teach in schools around Australia, and some worldwide. Once registered, you can work as a primary school teacher in state or independent schools in Queensland, interstate or overseas, or undertake further study to qualify as a principal, curriculum adviser, guidance or career officer, or head of department.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF EDUCATION (SECONDARY)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
Depends on dual program selected	2312	See rankings for non-education degree (check Admission requirements)	Not applicable	Not applicable	Minimum 4 years, depending on your second program	1, 2	St Lucia	Additional year of study	Arts, Business Management, Mathematics, Music (Honours), Science	This program is only offered as a dual program. Students must meet the entry requirements for the non-Education degree, plus Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C).

### Program overview

High school teachers are instrumental in shaping young adults. In this dual program, you will learn how to guide students' inquisitive minds, developing high-level academic knowledge and professional skills across teaching and learning, research and leadership, development, diversity, and gaining a broad understanding of the Australian Curriculum, while also specialising in a key area of interest in your second program. Immersive, hands-on workshops, school visits and supervised practicums throughout your program will give you a strong understanding of day-to-day life in a high school. The Bachelor of Education (Secondary) is studied as a dual program. It can be combined with any one of the following programs: Bachelor of Arts, Bachelor of Mathematics, Bachelor of Music (Honours), Bachelor of Science, or Bachelor of Business Management.

Note: Students who already have an approved undergraduate degree and want to become a teacher can apply for the Master of Teaching (Secondary) and qualify as a teacher after two years of full-time study.

You might also be interested in the Bachelor of Health Sport and Physical Education - visit page 56 to find out more.

### Program features

- ★ UQ's field of education and training is ranked 30th in the world (QS World University Rankings by Subject 2021).
- ★ In every year of your program, you will experience time in schools that will enable you to connect the theory to the practice. By the end of the program you will be confident and job-ready after completing a minimum of 80 days of supervised professional experience across your two teaching areas.

### Career opportunities

Graduates are eligible to apply for registration as a teacher in Queensland, to work as a secondary school teacher in state and independent schools in Australia and worldwide. With further study and experience, this can lead to roles as a head of department, principal, guidance officer, learning support teacher, or student adviser. If you choose to undertake a specialisation in music or a Language Other Than English (LOTE), there is also the opportunity to work in primary school education.

## BACHELOR OF COMPUTER SCIENCE

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
733401	2451	86.00 / 32	86.00	84.30	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Arts, Business Management, Commerce, Engineering (Honours), Laws (Honours), Mathematics, Master of Cyber Security, Master of Data Science, Science	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C). Specialist Mathematics (Units 3 & 4, C) is recommended

### Program overview

Do you want to shape our digital future? Tailor your studies to suit your career aspirations and learn how to create systems that automatically transform data into information. Learn the theory behind algorithms and data structures as you gain the knowledge and practical skills to create, develop, implement and evaluate computer hardware and software. Design platforms that support and enhance almost all functions of modern life. With the strong analytical, logical and engineering skills you will gain through this program, you will be able to pursue a career across any sector that uses technology.

### Areas of study

Cyber Security • Data Science • Machine Learning • Programming Languages • Scientific Computing

### Program features

- ★ UQ's field of computer science is ranked among the top 10 in the Oceania region (QS World University Rankings by Subject 2021).
- ★ UQ's field of computer science is ranked 75 in the world (U.S. News Best Global Universities Rankings, 2022).
- ★ Access UQ's state-of-the-art facilities, which include more than 740 Windows, Unix and Apple workstations, 16 specialist computer labs (including

10 with 24-hour access), and a university-wide 802.11ac wi-fi network.

### Career opportunities

As technology continues to evolve, the growing demand in this area provides opportunities in the operation and support of services in finance, energy, transport, health, communications and many more.

## BACHELOR OF ENGINEERING (HONOURS)

World's Top 50 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
717001	2455	86.00 / 32	86.05	82.75	4 years full-time (or part-time equivalent)	1, 2	St Lucia	Part of standard program, awarded based on weighted cumulative grade point average	Arts, Biotechnology, Business Management, Commerce, Computer Science, Design, Economics, Information Technology, Mathematics, Science	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C); and one of Chemistry or Physics (Units 3 & 4, C). Studying Specialist Mathematics (Units 3 & 4, C) and both Chemistry and Physics is recommended as students will have increased flexibility in their studies.

### Program overview

The future of engineering is changing. And so are we. We've reimaged the Bachelor of Engineering (Honours) and have crafted a new curriculum that will place you at the forefront of engineering in 2024, 2034 and beyond. You'll benefit from a flexible first year of study with hands-on experiences across all aspects of engineering, extra study options for greater career opportunities, and direct contact with industry – your future employers – threaded throughout your degree. You'll also have the option to complement your engineering specialisation with a major or minor in one of the new and emerging areas of engineering. Our broad range of majors allows you to further tailor your studies to match your career aspirations and deep dive into your interests. You will graduate with a respected honours qualification, and advanced knowledge and skills that will set you apart in a competitive job market.

### Areas of study

Chemical Engineering • Civil Engineering • Electrical Engineering • Mechanical Engineering • Mechatronic Engineering • Software Engineering

### Majors

Aerospace Engineering • Biomedical Engineering • Bioprocess Engineering • Computer Engineering • Environmental Engineering • General Civil Engineering • Geotechnical Engineering • Materials Engineering • Metallurgical Engineering • Mining Engineering • Structural Engineering • Transport Engineering • Water and Marine Engineering

### Minors

Computing • Data Science • Design

### Program features

- ★ 1st in Queensland for Engineering and Technology (QS World University Rankings by Subject 2021).

- ★ UQ's field of civil and structural engineering is ranked 30th in the world (QS World University Rankings by Subject 2021).

- ★ You can complete your compulsory 450 hours of professional practice with organisations including Boeing, Deloitte, Energex, EY, Google, Lendlease, the Queensland Government and Rio Tinto.

- ★ Bring your ideas to life at UQ Innovate, the largest makerspace of its kind in Australia.

### Career opportunities

Graduates work as engineers and consultants in government, business and industry within Australia and overseas.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

*“For me it was not clear cut as to what I wanted to do at university after high school. I knew I was creative, and having dabbled in software like Photoshop, I showed a light interest in design. So, when I saw a degree that offered web and graphic design subjects, I decided to take a leap and undertake a degree in Information Technology.*

*I feel that I am lucky that I selected a degree based on my interest in design as it turned out to be a degree I truly loved with endless opportunities and career paths.”*

### Madeleine Kingsley

Bachelor of Information Technology  
UX/UI Designer (User Interface/User Experience), Virgin Australia

# BACHELOR OF ENGINEERING (HONOURS) / MASTER OF ENGINEERING

World's **Top 50** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED

Studying Specialist Mathematics (Units 3 & 4, C) and both Chemistry and Physics is recommended as students will have increased flexibility in their studies.

## Program overview

Do you want to be a respected engineering leader who excels in your field? As a UQ Bachelor of Engineering (Honours) / Master of Engineering student, you will be challenged to push the boundaries of the discipline while you develop high-level skills in critical and analytical thinking, research design, writing and project management. As part of the program, you will submit a master's-level thesis and complete a semester-long placement, either in industry or in research. This placement within a five-year program with master's-level coursework is an Australian first.

## Fields of study

Chemical Engineering • Chemical and Biomedical Engineering • Chemical and Bioprocess Engineering • Chemical and Environmental Engineering • Chemical and Materials Engineering • Chemical and Metallurgical Engineering • Civil Engineering • Civil and Environmental Engineering • Electrical

Engineering • Electrical and Biomedical Engineering • Electrical and Computer Engineering • Mechanical Engineering • Mechanical and Aerospace Engineering • Mechanical and Materials Engineering • Mechatronic Engineering • Software Engineering

## Program features

- ★ UQ's field of chemical engineering is ranked 2nd in Australia and 45th in the world (QS World University Rankings by Subject 2021).
- ★ Fourth-year students have the opportunity to study overseas with the European Double Degree program. Learn from some of the best engineering and technical teachers in the world, and graduate with an additional master's degree from one of our partner universities.
- ★ UQ's field of civil and structural engineering is ranked 30th in the world (QS World University Rankings by Subject 2021).
- ★ Bring your ideas to life at UQ Innovate, the largest makerspace of its kind in Australia.

## Career opportunities

Graduates are often employed as leaders on issues like climate change, diminishing supplies of water, mineral resources, poverty and disease. Others extend their research ambitions and enrol in a MPhil or PhD program, where they make significant discoveries and contribute to knowledge.

## BACHELOR OF BIOMEDICAL SCIENCE

World's **Top 50** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
731201	2415	85.00 / 31	85.00	82.15	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Science	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C); and one of Biology, Chemistry or Physics (Units 3 & 4, C)

**Program overview**

Develop your understanding of the breadth and depth of modern biomedical science. Learn from our researchers who are leaders in the development of vaccines, antibiotic treatments and stem cell therapies. You will benefit from their knowledge of the latest biomedical science developments and put this theory into practice through structured research projects in laboratories. You'll integrate your studies across various discipline areas to graduate with well-grounded knowledge and equipped for a rewarding career in industry or research organisations. You can also use this program as a pathway to medicine

or allied health programs. Your studies will focus on the human body at the molecular, cellular and whole body levels, and the disciplines of anatomy, biochemistry and cell biology, physiology, developmental biology, microbiology, pharmacology and neuroscience. You will learn the scientific process through experimental design, hands-on experiments and computer modelling.

**Program features**

★ **UQ's broad field of life sciences and medicine is ranked 1st in Queensland and 38th in the world (QS World University Rankings by Subject 2021).**

**Career opportunities**

This program will help you embark on a biomedical science career, including work in hospital and diagnostic clinical laboratories, biotechnology and pharmaceutical companies; laboratory work in molecular and cellular biology; health policy and communication; and secondary schools or other educational institutions (when combined with a teaching qualification).

**More information**

## BACHELOR OF CLINICAL EXERCISE PHYSIOLOGY (HONOURS)

World's **Top 5** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED						
729801	2413	93.00 / 36	93.00	90.65	4 years full-time (or part-time equivalent)	1	St Lucia	Part of standard program, awarded based on grade point average in specified courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); and one of Biology, Chemistry or Physics (Units 3 & 4, C)	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="http://habs.uq.edu.au/prepare-your-clinical-exercise-physiology-placement">habs.uq.edu.au/prepare-your-clinical-exercise-physiology-placement</a>

**Program overview**

This program will prepare you for an exciting career as an Accredited Exercise Physiologist and Accredited Exercise Scientist. Accredited Exercise Physiologists are recognised allied health professionals who design and deliver exercise interventions for the prevention and management of a range of musculoskeletal, cardiovascular, metabolic, neurologic, cancer and mental health conditions.

**Program features**

★ **UQ's field of sports-related subjects is ranked 2nd in the world (QS World University Rankings by Subject 2021).**

★ **You will undertake more than 600 hours of practical placements in a variety of clinical settings, including hospitals, healthcare organisations and fitness facilities.**

**Career opportunities**

Accredited Exercise Physiologists and Accredited Exercise Scientists have skills that can be applied to a variety of clinical, exercise and sport science professions. You may work in a variety of settings, including private practices, home health services, hospitals or clinical services, research centres, and community health and fitness centres. Other careers include biomechanist, cardiac scientist, respiratory technician, strength and conditioning specialist,

rehabilitation professional, health promotion officer, corporate health and fitness adviser, health educator, fitness consultant, community recreation officer and exercise science researcher.

**Pre-placement requirements**

## BACHELOR OF DENTAL SCIENCE (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED						
712002	2367	99.00*** / 42***	99.20	97.10	5 years full-time	1	Herston St Lucia	Part of standard program, awarded based on grade point average in specified courses	Minimum 99.00 ATAR; Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Chemistry (Units 3 & 4, C) (Biology also recommended); and UCAT; See <a href="http://ucat.edu.au">ucat.edu.au</a>	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="http://habs.uq.edu.au/prepare-your-dentistry-placement">habs.uq.edu.au/prepare-your-dentistry-placement</a>

**Program overview**

The Bachelor of Dental Science (Honours) educates the next generation of dental professionals in the most advanced oral health facility in Australia. With small cohorts and dedicated, specialist teachers, you will master the science and technical skills required to care for patients and prevent, diagnose and treat oral diseases and abnormalities. You will be workforce-ready when you graduate, with extensive clinical experience and in-depth knowledge of general practice in dentistry, orthodontics, paediatric dentistry, periodontics, prosthodontics, oral medicine, oral surgery, and public health.

**Program features**

★ **UQ is ranked 1st in Queensland for clinical, pre-clinical and health (Times Higher Education World University Rankings, 2021).**

★ **You will study at the \$138 million Oral Health Centre in Herston, which has more than 150 dental chairs in 11 clinics.**

**Career opportunities**

Once registered with the Dental Board of Australia, you can establish your own private practice, work within an established practice, or join a partnership. Within the public sector, there are opportunities to work within hospitals, community health services, or school-based

dental clinics across Australia. Postgraduate study offers opportunities to develop specific interests in research or qualify as a specialist in a recognised field such as orthodontics, prosthodontics, oral medicine, periodontics and special-needs dentistry.

**Pre-placement requirements**

Visit [habs.uq.edu.au/prepare-your-dentistry-placement](http://habs.uq.edu.au/prepare-your-dentistry-placement)

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF EXERCISE AND NUTRITION SCIENCES

World's Top 5 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
720102	2325	76.00 / 27	76.05	74.40	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C); and one of Biology, Chemistry or Physics (Units 3 & 4, C)
or 729602 (provisional entry to Master of Dietetics Studies)		96.00 / 38	96.25	94.70	3 years full-time	1			

### Program overview

How is the human body and its health influenced by diet and exercise? What drives people to consume high levels of fats, salts and sugars, and what are the impacts? The Bachelor of Exercise and Nutrition Sciences provides a framework and way of thinking to answer questions like these. You will learn about the science of human movement, nutrition and food, the culture and social role of sport in Australia and overseas, and the psychology of sport and exercise. Whether you're interested in exercise and nutrition, or a broader career in health, this program will help you make a positive change to the wellbeing of others.

### Program features

- ★ UQ's field of sports-related subjects is ranked 2nd in the world (QS World University Rankings by Subject 2021).
- ★ This program is a preferred pathway for UQ's Master of Dietetics Studies, and with appropriate study plans, covers the prerequisite courses prior to entry into UQ's Doctor of Medicine program.
- ★ Excellent springboard to a range of clinical and non-clinical health careers.

### Career opportunities

Graduates frequently combine a Bachelor of Exercise and Nutrition Sciences with a postgraduate qualification to specialise in non-clinical or clinical areas such as dietetics, medicine, physiotherapy, audiology and occupational therapy. Other students use their skills to work in graduate-entry roles such as nutrition assistant, fitness or weight loss consultant, or research assistant.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF EXERCISE AND SPORT SCIENCES (HONOURS)

World's Top 5 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS	OTHER ENTRY REQUIREMENTS
			ADJUSTED	UNADJUSTED						
729302	2371	88.00 / 33	88.00	85.50	4 years full-time (or part-time equivalent)	1	St Lucia	Part of standard program, awarded based on grade point average in specified courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); and one of Biology, Chemistry or Physics (Units 3 & 4, C)	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="http://habs.uq.edu.au/prepare-your-exercise-and-sport-sciences-placement">habs.uq.edu.au/prepare-your-exercise-and-sport-sciences-placement</a>

### Program overview

Do you want to help elite athletes be the best they can be, get your community fit and healthy, or rehabilitate injury in healthy people wanting to be more physically active? This program focuses on understanding how to enhance human performance, build stronger athletes, promote healthy ageing, and generally improve people's health and wellbeing through exercise and physical activity. You'll learn about the intricacies of human movement, and have the opportunity to study the biology, technology, behaviour and best practices that underpin exercise and sport sciences.

- ★ You will undertake 500 hours of supervised professional practice providing hands-on experience with real clients in a supervised environment.
- ★ Graduates are eligible for accreditation with Exercise and Sports Science Australia (ESSA) – the leading professional association for exercise and sports science practitioners.

### Career opportunities

Graduates can pursue careers as an Accredited Exercise Scientist (AES) or Accredited Sport Scientist (AspS). You may find yourself prescribing and delivering exercise and physical activity programs in the fitness industry, developing strength and conditioning programs to assist elite athletes and sporting teams, delivering workplace health promotion and executive health management programs, or conducting

diagnostic measurements (cardiac, sleep, respiratory or neurophysiology) in hospitals or other clinical services.

### Pre-placement requirements

Visit [habs.uq.edu.au/current-students/prepare-your-exercise-and-sport-sciences-placement](http://habs.uq.edu.au/current-students/prepare-your-exercise-and-sport-sciences-placement)

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

### Program features

- ★ UQ's field of sports-related subjects is ranked 1st in Australia and 2nd in the world (QS World University Rankings by Subject 2021).

## BACHELOR OF HEALTH SCIENCES

World's Top 30 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
729002	2252	80.00 / 29	80.10	75.50	3 years full-time (or part-time equivalent)	1, 2	St Lucia, Herston	Additional year of study	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C). It is highly recommended that students undertake one of Year 12 (or equivalent) Biology, Chemistry and/or Physics.
or 729702 (provisional entry to Master of Dietetics Studies)		96.00 / 38	96.10	96.10	3 years full-time				

### Program overview

In this flexible program, you will gain a broad understanding of human health, studying fields including biomedicine, health behaviours, public health and evidence-based practice. You will specialise in clinical health, nutrition or public health, and get hands-on experience during your final semester of study with a minimum of 90 hours of supervised work experience.

### Areas of study

Clinical Health • Nutrition • Public Health

### Program features

- ★ UQ is ranked 2nd in Australia and 27th in the world for public health (ShanghaiRanking's Global Ranking of Academic Subjects, 2021).
- ★ With appropriate study plans, this program covers the prerequisite courses prior to entry into UQ's Doctor of Medicine program.
- ★ UQ's broad field of life sciences and medicine is ranked 38th in the world (QS World University Rankings by Subject 2021).

### Career opportunities

Graduates pursue rewarding careers as health promotion or public health officers, or in health administration. Others pursue clinical careers through further study.

### More information

## BACHELOR OF HEALTH, SPORT AND PHYSICAL EDUCATION (HONOURS)

World's Top 5 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED						
729402	2372	76.00 / 27	76.20	71.20	4 years full-time (or part-time equivalent for the first three years only; year 4 must be studied full-time due to major practicum components)	1	St Lucia	Part of standard program, awarded based on grade point average in specified courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C); and one of Biology, Chemistry or Physics (Units 3 & 4, C)	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="https://habs.uq.edu.au/prepare-your-health-sport-and-physical-education-placement">habs.uq.edu.au/prepare-your-health-sport-and-physical-education-placement</a>

**Program overview**

Do you want to make a difference in young lives by inspiring healthy lifestyles through physical activity? This program prepares you to be a specialist senior physical education teacher, senior health teacher, senior biology teacher, and junior health and physical education teacher in secondary schools. You'll learn how to help young people explore a range of sport and physical activities confidently and competently, and develop a lifelong love of being healthy and active. As part of the program, you will complete placements where you will work with young people in primary and secondary schools.

**Program features**

- ★ UQ's field of sports-related subjects is ranked 2nd in the world (QS World University Rankings by Subject 2021).
- ★ You will undertake more than 100 days of supervised teaching experience in a range of settings including primary, secondary and special needs schools.
- ★ Complete an individual research project in final year, supervised by one of the School's leading academics and researchers.

**Career opportunities**

Graduates can pursue a broad range of careers, not only as specialist teachers of senior physical education, senior health, senior biology, and junior health and physical education, but also in related areas such as outdoor education, recreation management, sports coaching or corporate health.

**Pre-placement requirements**

Visit [habs.uq.edu.au/prepare-your-health-sport-and-physical-education-placement](https://habs.uq.edu.au/prepare-your-health-sport-and-physical-education-placement)

## BACHELOR OF MIDWIFERY

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED							
728402	2261	95.50* / 38*	95.65	90.85	3 years full-time	1	St Lucia, clinical schools	Additional year of study	Nursing	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); and one of Biology, Chemistry or Physics (Units 3 & 4, C)	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="https://habs.uq.edu.au/prepare-your-nursing-and-midwifery-placement">habs.uq.edu.au/prepare-your-nursing-and-midwifery-placement</a>

**Program overview**

Midwives play a pivotal role in safely guiding expectant parents through pregnancy, birth and the weeks that follow. This program will prepare you for this challenging and rewarding career. You will undertake extensive supervised practical experience throughout the program, and during your final year you will extend your clinical knowledge to ensure you meet the Nursing and Midwifery Board of Australia National Competency Standards. This program is delivered in small group-based clinical teaching sessions in simulation centres and through workshops and lectures at UQ St Lucia and is integrated with hospital placements.

**Program features**

- ★ Link theory and practice through a variety of learning methods, including case studies that reflect what it's really like to work with parents from diverse backgrounds.
- ★ Your clinical placements will commence in your first year, and in your final year you will complete extended clinical placements in a variety of maternity and healthcare settings.

**Career opportunities**

Midwives find employment in public or private health; maternity and neonatal care; teaching or research; rural and remote health; and aid organisations.

**Pre-placement requirements**

Visit [habs.uq.edu.au/current-students/prepare-your-nursing-and-midwifery-placement](https://habs.uq.edu.au/current-students/prepare-your-nursing-and-midwifery-placement)

**More information**

Visit [future-students.uq.edu.au](https://future-students.uq.edu.au) or scan the QR code.

*“The support and encouragement provided by teaching staff throughout my Nursing and Midwifery degree has inspired me to dream even bigger for my future career. I am deeply passionate about the work that nurses and midwives do, and feel so lucky to be provided with so many opportunities as a student at UQ.”*

**Lucie Turner-Woodall**

Bachelor of Nursing / Bachelor of Midwifery student

## BACHELOR OF NURSING

World's **Top 30** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED							
728502	2241	84.80* / 31*	84.80	80.80	3 years full-time	1	St Lucia	Additional year of study	Midwifery	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); and one of Biology, Chemistry or Physics (Units 3 & 4, C)	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="https://habs.uq.edu.au/prepare-your-nursing-and-midwifery-placement">habs.uq.edu.au/prepare-your-nursing-and-midwifery-placement</a>

### Program overview

If you're strong, resourceful, compassionate, and want a career where you make a difference, UQ's Bachelor of Nursing is the program for you. This internationally respected program integrates lecture-based study with clinical placements in major teaching hospitals. You will undertake extensive supervised practical experience throughout the program, and during your final year you will be able to undertake a placement in a specialist area, including acute care, aged care, mental health, Indigenous health, rural health, public health or community health. This program is delivered through small group-based clinical teaching sessions in

simulation centres, and through workshops and lectures at UQ St Lucia.

### Program features

- ★ UQ's field of nursing is ranked 5th in the world (ShanghaiRanking's Global Ranking of Academic Subjects, 2021).
- ★ There is a worldwide shortage of trained nurses, and Australian employment prospects are projected to increase by 16.2 per cent during the next five years (2020 Industry Employment Projections report, Department of Employment).

### Career opportunities

Graduates work as registered nurses in various public, private or community healthcare settings; critical care and emergency; mental health; aged care; research; and academic and clinical teaching.

### Pre-placement requirements

Visit [habs.uq.edu.au/current-students/prepare-your-nursing-and-midwifery-placement](https://habs.uq.edu.au/current-students/prepare-your-nursing-and-midwifery-placement)

### More information

Visit [future-students.uq.edu.au](https://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF OCCUPATIONAL HEALTH AND SAFETY SCIENCE (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
729201	2331	78.00 / 28	80.35	78.35	4 years full-time (or part-time equivalent)	1	St Lucia	Part of standard program, awarded based on weighted grade point average of specific courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C); and one of Chemistry, Physics or Biology (Units 3 & 4, C)

### Program overview

Maintaining the safety, health and wellbeing of people while they work is both challenging and rewarding. With this science-focused multidisciplinary program, you can work in almost any industry or company around the world. Combining studies of health, psychology, law, ethics and management with practical skills through placements, worksite visits and industry experience, you will learn scientific approaches to identifying, assessing and controlling chemical, physical and biological hazards. You will also learn about psychosocial health factors, like stress, bullying, harassment and fatigue.

With these key skills, you will be able to monitor and modify work environments, deliver education programs, analyse workplace data, devise, evaluate and implement Occupational Health and Safety (OHS) management systems, undertake OHS auditing and inspections, complete accident investigations and ensure compliance with legislation.

### Program features

- ★ There is currently a high demand for Occupational Health and Safety graduates in Australia and Asia, and an increasing demand worldwide.

### Career opportunities

Graduates may work in any workplace, including remote, rural or urban regions in Australia or internationally; across all industries (including mining, agricultural, retail, hospitality, construction, transport, manufacturing and healthcare); in government, the private sector or consultancies; and enjoy flexible working conditions.

### More information

Visit [future-students.uq.edu.au](https://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF OCCUPATIONAL THERAPY (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS

### Program overview

Occupational therapists help people of all ages overcome barriers that affect their ability to engage in the everyday activities that are meaningful and important to them. They use a range of treatment strategies designed to enhance a person's ability, such as modifying the task or environment, and developing their skills and/or education. Through this program, you will gain a thorough understanding of the theory and practice of occupational therapy, including foundation knowledge from the anatomical, physiological, social, behavioural and psychological sciences.

### Program features

- ★ You may have the opportunity to undertake rural, regional and overseas placements.
- ★ UQ has a dedicated occupational therapy clinic and a simulated hospital ward where you will apply your knowledge and develop your skills during your studies.

### Career opportunities

Graduates work as occupational therapists in public and private hospitals; community health services; rehabilitation units (medical, vocational, psychiatric); regular and special schools; services providing development and training for persons with a social,

intellectual or physical disability; independent living centres; workplace health and safety units; aged care facilities; mental health services; centres of tertiary education; research institutions; or private practice.

## BACHELOR OF PHARMACY (HONOURS)

World's **Top 50** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED						
725002	2373	84.00 / 30	84.10	80.20	4 years full-time (or part-time equivalent). Students commencing in Semester 2 will take 4.5 years to complete program.	1, 2	St Lucia, PACE Woolloongabba	Part of standard program, awarded based on grade point average in specified courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C); and Chemistry (Units 3 & 4, C); (Biology also recommended)	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="https://habs.uq.edu.au/prepare-your-pharmacy-placement">habs.uq.edu.au/prepare-your-pharmacy-placement</a>

**Program overview**

The Bachelor of Pharmacy (Honours) prepares you to play a vital role in the healthcare system. As a pharmacist, you can work in community pharmacies, hospital pharmacies, industry, research or a range of other settings. Pharmacists improve people's lives through education, disease prevention, patient counselling, medication reviews and more. In dedicated laboratories and simulated pharmacies at the Pharmacy Australia Centre of Excellence (PACE), students learn about the properties of medicines, how medicines affect the body and the pharmacy profession. Pharmacists develop an extensive understanding of drugs, their side-effects, their interactions, how they work and correct dosages. With an ageing population,

the role of the pharmacist is expanding and their skills are necessary now, and into the future.

**Areas of study**

Clinical and Experimental Therapeutics

**Program features**

- ★ UQ's field of pharmacy and pharmacology is ranked 31st in the world (QS World University Rankings by Subject 2021).
- ★ Learn at the Pharmacy Australia Centre of Excellence (PACE) – a purpose-built \$100 million teaching and research facility.

**Career opportunities**

Graduates of UQ's Pharmacy program enjoy one of the

highest graduate employment rates of any occupation in Australia. This program leads to careers in community and hospital pharmacies as well as industrial pharmacy. Graduates have also gone on to senior positions within both the pharmacy and healthcare industries, as well as government. They have also used pharmacy as a platform for further study in medicine, a career in academia, or a career in research and development.

**Pre-placement requirements**

Visit [habs.uq.edu.au/current-students/prepare-your-pharmacy-placement](https://habs.uq.edu.au/current-students/prepare-your-pharmacy-placement)

## BACHELOR OF PHYSIOTHERAPY (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED						
726002	2369	99.50 / 44	99.50	95.55	4 years full-time	1	St Lucia	Part of standard program, awarded based on grade point average in specified courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); and one of Biology, Chemistry or Physics (Units 3 & 4, C)	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="https://habs.uq.edu.au/prepare-your-physiotherapy-placement">habs.uq.edu.au/prepare-your-physiotherapy-placement</a>

**Program overview**

Physiotherapists help to get people moving, from office workers to elite athletes, children with disability and elderly with degenerative conditions. As a UQ Bachelor of Physiotherapy (Honours) student, you will earn internationally recognised qualifications and become a skilled healthcare professional who helps people improve their mobility, function and reduce pain. From your first year, you will build a strong foundation of applied study in medical science, physiotherapy science, anatomy, professional ethics, psychology and therapeutic exercise, to prepare you to care for people with musculoskeletal, neurological, respiratory and other conditions.

**Program features**

- ★ UQ has dedicated physiotherapy clinics and a simulated hospital ward where you will apply your knowledge and develop your skills during your studies.
- ★ You may have the opportunity to undertake rural, regional and overseas placement.
- ★ UQ is a leader in digital health, research and clinical physiotherapy skills curriculum.

**Career opportunities**

Graduates work as physiotherapists in hospitals, community health centres and agencies, rehabilitation units, preschool and school programs and private

practice, offering treatments to a full range of patients. They may specialise in areas such as sports physiotherapy, musculoskeletal physiotherapy, paediatrics, neurology, cardiorespiratory, orthopaedics or other fields of particular interest; or work in research or consultancy roles in educational, industrial or government institutions.

## BACHELOR OF PSYCHOLOGICAL SCIENCE (HONOURS)

World's **Top 30** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
757001	2379	93.00 / 36	93.00	89.40	4 years full-time (or part-time equivalent)	1, 2	St Lucia	Part of standard program, awarded based on grade point average in specified courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)

**Program overview**

Examine the complexity, intricacy and wonder of the human mind in this program, which is designed for students looking to undertake comprehensive studies in psychology, including the study of developmental, social, cognitive, biological, physiological and abnormal psychology – as well as study in research methods and report writing. Courses examine areas including child development, neuroscience, learning and cognition, social and organisational psychology, psychological assessment, psychological research methods and evaluation of research. With a range of psychology electives to choose from, you will gain a thorough understanding of the fundamentals of psychology while gaining exposure to a variety of specialisations.

Special note: This program meets undergraduate requirements for professional registration when combined with two years study in an accredited postgraduate program in psychology.

**Program features**

- ★ UQ's field of psychology is ranked 26th in the world (QS World University Rankings by Subject 2021).

**Career opportunities**

When you graduate, you will meet the academic requirements for registration as a provisional psychologist with the Psychology Board of Australia, as well as associate membership of the Australian Psychological Society. This means you can train further to become eligible for general registration as a psychologist.

With full registration, you can pursue careers in clinical psychology, clinical neuropsychology, organisational psychology, educational and developmental psychology, sports and exercise psychology and counselling. Broader career options include human resources, mental health services, youth and child support work, relationship counselling, residential care, family and social services, public and private sector management, marketing, advertising and market research, disability support services, aged care, juvenile justice and corrective services.

**More information**

Visit [future-students.uq.edu.au](https://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF SOCIAL WORK (HONOURS)

World's **Top 50** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED						
734001	2382	76.00 / 27	76.05	75.50	4 years full-time (or part-time equivalent). Students commencing in Semester 2 will take 4.5 years to complete program.	1, 2	St Lucia	Part of standard program, awarded based on grade point average in specified courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C)	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="https://habs.uq.edu.au/prepare-your-social-work-placement">habs.uq.edu.au/prepare-your-social-work-placement</a>

### Program overview

Do you want to make a positive difference in people's lives? Are you passionate about the human values of dignity and social justice? UQ Social Work (Honours) graduates work with individuals, groups and communities in Australia and internationally to create a fairer, more inclusive society. This program is focused on developing the skills and knowledge you'll need to make a positive, sustainable difference for people in most need. As a UQ graduate social worker, you'll begin your career with advanced knowledge and skills in fields such

as health and ageing; child, youth and families; mental health; and social policy.

### Program features

- ★ You'll be taught by internationally recognised experts.
- ★ You will spend more than 1000 hours on supervised clinical placement across your program.
- ★ In your final year, you'll gain hands-on experience in designing and completing your own research project.

### Career opportunities

Graduates can work as social workers in a variety of

government, community and private organisations, including government agencies, child protection, drug and alcohol support clinics, Indigenous health and welfare agencies, residential care, community organisations, private practice, and other organisations.

### Pre-placement requirements

Visit [habs.uq.edu.au/current-students/prepare-your-social-work-placement](https://habs.uq.edu.au/current-students/prepare-your-social-work-placement)

### More information

Visit [future-students.uq.edu.au](https://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF SPEECH PATHOLOGY (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED						
727002	2370	95.50* / 38*	95.85	92.60	4 years full-time	1	St Lucia	Part of standard program, awarded based on grade point average in specified courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); and one of Biology, Chemistry or Physics (Units 3 & 4, C)	Prior to applying, applicants should review the pre-placement requirements outlined on the Prepare for your Placement website: <a href="https://habs.uq.edu.au/prepare-your-speech-pathology-placement">habs.uq.edu.au/prepare-your-speech-pathology-placement</a>

### Program overview

For a rich and rewarding career as a specialist in communication and swallowing difficulties, study UQ's Bachelor of Speech Pathology (Honours). This program prepares you to help people of all ages with speech, language, fluency and voice disorders, people who have feeding or swallowing difficulties, and people who want to modify their accents or voices. You will learn about anatomy, linguistics, physiology, psychology, swallowing and communication disorders in the areas of voice, fluency, hearing, speech and language function.

### Program features

- ★ You will participate in clinical experiences from your first semester of study, including simulated learning experiences in our onsite hospital simulation ward, and clinical placements in metropolitan, regional, rural and international settings.

### Career opportunities

Graduates work as speech pathologists in general, paediatric and geriatric hospitals; community health centres; rehabilitation units; aged care facilities; mental health services; preschools, schools, kindergartens

and childcare settings; centres for people with specific disabilities such as cerebral palsy, intellectual impairment, autism or hearing impairment; centres of tertiary learning; research institutions; and private practice.

### Pre-placement requirements

Visit [habs.uq.edu.au/current-students/prepare-your-speech-pathology-placement](https://habs.uq.edu.au/current-students/prepare-your-speech-pathology-placement)

### More information

## DOCTOR OF MEDICINE

World's **Top 50** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	ADMISSION REQUIREMENTS	OTHER REQUIREMENTS
			ADJUSTED	UNADJUSTED					
721302 (provisional entry for school leavers)	5578	99.85** / 45**	99.85	95.45	4 years full-time	1	Herston, Teaching Hospitals, St Lucia	Adjusted ATAR 95 (or equivalent) or higher, Year 12 English (or equivalent), and UCAT ANZ. UCAT ANZ is used to rank for invite to interview. Entry is competitive, based on ATAR, UCAT ANZ and interview score. To progress to the MD, students must complete their first degree at UQ within the minimum time specified for the program, GPA of 5 and complete two subject prerequisites.	Inherent Requirements for Studying Medicine**, Blue Card, first aid, criminal check, screening for blood borne viruses, immunisation
721402 (bonded medical places for provisional entry for school leavers)		96.20** / 38**	96.20	95.65	4 years full-time				
Graduate entry applicants apply through GEMSAS <a href="https://gemsas.edu.au">gemsas.edu.au</a>									

### Program overview

From 2023, we will be offering our new Doctor of Medicine (MD) program. Our vision is to nurture and educate future medical graduates who are clinically excellent, team players, kind and compassionate, serve responsibly and are dedicated to the continual improvement of the health of people and communities. Your four-year medical journey begins in year 1 with the foundations of medicine – learning fundamental concepts of medical sciences, clinical and professional skills and the role of the doctor and the health system. Year 2 will concentrate on developing the knowledge and skills required for medical practice, with a focus on the pathophysiology of common conditions. From year 3, you will be immersed in various clinical environments – both in hospital and the community. Your learning will be grounded in the clinical 'workplace' setting, supported by

structured teaching and learning activities. This clinical immersion will culminate in a 'transition to practice semester' providing you with the opportunity to be an active pre-intern member of a clinical team.

### Program features

- ★ UQ's field of life sciences and medicine is ranked 3rd in Australia and 38th in the world (QS World University Rankings by Subject 2021).

### Career opportunities

Graduates are ready to work as registered doctors and undertake further training in any speciality of clinical practice. For example, general practice, internal medicine, surgery, paediatrics, psychiatry, obstetrics and gynaecology, emergency medicine and critical care, across the geographic continuum from urban to remote communities.

### Pre-placement requirements

Visit [medical-school.uq.edu.au/current-students/compulsory-program-requirements](https://medical-school.uq.edu.au/current-students/compulsory-program-requirements)

### More information

Visit [future-students.uq.edu.au](https://future-students.uq.edu.au) or scan the QR code.

### Application closing date

Applications are open from April each year and are waitlisted once full. The closing date for provisional entry applications via QTAC is in September. The closing date for graduate entry applications via GEMSAS is in May. Interviews will be held in November for provisional entry applicants and September for graduate entry applicants.

### Top 100 in the world

QS World University Rankings  
by Subject 2021

*“UQ’s international ranking and reputation for world-acclaimed researchers in life sciences, along with excellent campus facilities, placed UQ at the top of my preference list.*

*The variety of business subjects that were blended in with science courses gave me exposure to a range of academic disciplines. Additionally, the research I completed as part of my Honours year allowed me to gain a better understanding of the broad field of Biotechnology and the potential gaps arising in this area.*

*Biotechnology is an amazing field to be a part of because the opportunities for new technologies and development are almost unlimited.*

*My current role is to support the expansion of high-growth health and advanced technology exporters through the provision of market intelligence, market entry and strategic advice, to ensure achievement of commercial outcomes that contribute towards the nation’s economic prosperity.”*

#### **Ann Damien**

Bachelor of Biotechnology (Honours)  
(Molecular Science and Innovation Management)

Global Engagement Manager, High Growth Export Services, Australian Trade and Investment Commission

# Science and Mathematics

The world needs more scientists and mathematicians to solve problems in finance, the environment, science, food and quantum physics.

UQ has one of the largest science faculties in Australia with some of the world’s leading scientists, teachers, science programs and commercial outcomes. As a student, you will interact with research teams, use our world-class laboratories and contribute to our international research. You will network with industry partners and work for organisations and companies during professional placements or internships. This hands-on approach is why our graduates enjoy high employability rates and attractive starting salaries.

## Careers

### Choose this field if you like these subjects:

- Agricultural science
- Biology
- Business studies
- Chemistry
- Earth and environmental science
- Economics
- Geography
- Health and physical education
- Information technology
- Marine science
- Mathematics
- Physics
- Psychology

### Our undergraduate programs can lead to careers in:

- Actuarial science
- Animal science
- Archaeology
- Astrophysics
- Biochemistry
- Bioengineering
- Bioinformatics
- Biomedical science
- Biophysics
- Biotechnology
- Chemistry
- Computer science
- Drug design and development
- Earth sciences
- Ecology
- Economics
- Education
- Entomology
- Environmental management
- Environmental science
- Epidemiology
- Food science and nutrition
- Food technology
- Genetics
- Geographical science
- Horticulture
- Immunology
- Marine biology
- Marine science
- Mathematics
- Medicine
- Meteorology
- Microbiology
- Nanotechnology
- Neuroscience
- Nutrition
- Occupational health and safety
- Pharmacology
- Physics
- Plant science
- Psychology
- Public health
- Quantitative finance
- Spatial science
- Statistics
- Vaccine science
- Veterinary science
- Veterinary technology
- Wildlife science
- Zoology

## BACHELOR OF ADVANCED SCIENCE (HONOURS)

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED					
731901	2516	95.00 / 37	95.10	91.90	4 years full-time (or part-time equivalent)	1, 2	St Lucia	Part of standard program, awarded based on grade point average of specific courses	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C); Two of Agricultural Science, Biology, Chemistry, Earth and Environmental Science, Specialist Mathematics or Physics (Units 3 & 4, C), at least one of which must be Biology, Chemistry or Physics

### Program overview

The Bachelor of Advanced Science (Honours) is a four-year specialised program which will challenge you to become a high-achieving future leader in science. From the very beginning of your degree, you'll be working alongside prominent research scientists and contributing to scientific research – essentially giving you a four-year research apprenticeship. Choose a core specialisation from 24 disciplines across science and mathematics. You can also complement your specialisation with a major or minor(s) across a wide range of study areas in science, mathematics, or a minor in languages, communication, design and beyond.

### Areas of study

Applied Mathematics • Archaeological Science • Biochemistry and Molecular Biology • Bioinformatics •

Biomedical Science • Cell Biology • Chemistry • Coastal and Ocean Science • Computer Science • Earth Science • Ecology and Conservation Biology • Food Science and Nutrition • Food Technology • Genetics • Geographical Science • Marine Biology • Mathematics • Microbiology • Physics • Plant Science • Psychology\* • Public Health • Statistics • Zoology

\* Does not lead to registration as a psychologist.

### Program features

- ★ Complement your specialisation with a choice of 24 majors and 32 minors
- ★ Your final year will be dedicated to an independent research project in your chosen specialisation.
- ★ The flexible program structure allows for many study options to increase your career opportunities.

### Career opportunities

Graduates are employed in a wide range of areas, including research organisations and institutes; private and public sector organisations; not-for-profit and charity organisations; universities; hospitals and healthcare; environmental sustainability and planning; advisory positions for product development; defence; marine and wildlife conservation; operations research; and finance.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF BIOTECHNOLOGY

World's **Top 10** 

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
731101	2456	81.00 / 29	82.10	79.85	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Engineering (Honours)	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C); plus one of Biology, Chemistry or Physics (Units 3 & 4, C)

### Program overview

Study a Bachelor of Biotechnology to develop the skills and knowledge needed to translate innovative scientific ideas into commercially viable solutions. You will combine theory and practice to examine biotechnology's varied applications, from antibody engineering to fight disease, genetic plant engineering to increase agricultural yields, vaccine design, cell and tissue culture technologies, and more. Deepen your understanding of the key issues within biotechnology such as intellectual property, regulatory compliance, quality assurance and quality control. Learn to apply Quality Management Systems in Biotechnology so that products and technologies are safe and reproducible. You will learn how to assess the market potential and financial viability of new products or technical services such as vaccines, diagnostics, biopharmaceutical drugs, transgenic plants or innovations in stem cell therapy.

### Areas of study

Agricultural Biotechnology • Chemical and Nano Biotechnology • Medical Biotechnology • Molecular and Microbial Biotechnology • Synthetic Biology and Industrial Biotechnology

### Minors

Bioinformatics • Innovation and Entrepreneurship

### Program features

- ★ UQ is ranked 1st in Australia and 7th in the world for biotechnology (ShanghaiRanking's Global Ranking of Academic Subjects, 2021).
- ★ The program incorporates an optional 8-12 week summer internship with academic or industry partners.
- ★ Choose from a wide variety of globally renowned research labs to complete honours research.

### Career opportunities

Graduates with biotechnology qualifications are versatile and highly employable in agricultural biotechnology (plant and animal), medical technology (including biotherapeutics, drug design, diagnostics and devices), chemical technology, nanotechnology and industrial biotechnology. A biotechnology degree can lead to a wide range of possible roles in regulatory affairs, quality assurance, clinical trial operations management, and consulting, with graduates working in industry, venture capital, pharmaceutical companies, research institutes, and government agencies.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

## BACHELOR OF MATHEMATICS

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
714401	2460	93.00 / 36	93.80	91.80	3 years full-time (or part-time equivalent)	1, 2	St Lucia	Additional year of study	Arts, Business Management, Commerce, Computer Science, Economics, Education (Secondary), Engineering (Honours), Science	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C). Specialist Mathematics (Units 3&4, C) is recommended. Students studying Specialist Mathematics will have increased flexibility in their studies.

### Program overview

Mathematics helps us to understand everything around us. Use this program to study advanced mathematics to gain quantitative and analytical skills to pursue a high-achieving career in mathematics, or one of the many fields where it plays an essential role, such as physics, engineering, economics, computer science or biology. After securing a foundation of calculus, linear algebra, discrete mathematics, mathematical analysis and modelling, you will specialise in an area of your choice.

### Areas of study

Applied Mathematics • Data Analytics and Operations Research • Mathematical Physics • Pure Mathematics • Statistics

### Minors

Bioinformatics • Computational Science • Computer Science • Physics • Statistics

### Program features

- ★ You may undertake a summer research project or internship through the School of Mathematics and Physics. Undergraduate research scholarships are available through UQ and some industry groups.
- ★ UQ's field of mathematics is ranked 1st in Queensland (QS World University Rankings by Subject, 2021).

### Career opportunities

Demand for quantitatively trained graduates is at an all-time high and they are sought by industry sectors including finance, economics, meteorology, information technology, data science and teaching, government agencies and research organisations.

### More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

# BACHELOR OF SCIENCE

QTAC CODE	UQ CODE	MINIMUM SELECTION THRESHOLD 2022 ATAR / IB	LOWEST ATAR TO RECEIVE AN OFFER 2022		DURATION	START SEM	CAMPUS	HONOURS	DUAL PROGRAM AVAILABLE	ADMISSION REQUIREMENTS
			ADJUSTED	UNADJUSTED						
731001	2461	80.00 / 29	80.05	77.70	3 years full-time (or part-time equivalent)	1, 2	St Lucia, Herston (Public Health major only)	Additional year of study	Arts, Biomedical Science, Business Management, Commerce, Computer Science, Economics, Education (Secondary), Engineering (Honours), Information Technology, Journalism, Laws (Honours), Mathematics, Music (Honours)	Qld Year 12 (or equivalent) General English subject (Units 3 & 4, C); Mathematical Methods (Units 3 & 4, C); and one of Biology, Chemistry, Earth and Environmental Science or Physics (Units 3 & 4, C)

## Program overview

No matter what your interests, this flexible program lets you mix and match from the many aspects of science while developing your critical thinking, technical and communication skills. Study general science and non-science courses before specialising in your second and third years. Take advantage of UQ's excellent facilities, including more than 2200 science labs, including wet, dry and clinical labs, PC2 and PC3 labs, and a range of animal diagnostic, operating and skills training labs. Depending on your specialisation you can also broaden your experience with fieldwork, internships or international study options.

## Areas of study

Applied Mathematics • Archaeological Science • Biochemistry and Molecular Biology • Bioinformatics • Biomedical Science • Cell Biology • Chemistry • Coastal and Ocean Science • Computer Science • Earth Science • Ecology and Conservation Biology • Food Science and Nutrition • Food Technology • Genetics • Geographical Science • Marine Biology • Mathematics • Microbiology • Microbiology, Infection and Immunity • Physics •

Plant Science • Psychology • Public Health • Statistics • Zoology

## Minors

Applied Mathematics • Archaeological Science • Astrophysics • Biochemistry and Molecular Biology • Bioinformatics • Biophysics • Cell Biology • Chemical Biology • Chemistry • Coastal and Ocean Science • Computational Science • Computer Science • Developmental Biology • Earth Science • Ecology and Conservation Biology • Entomology • Food Technology • Genetics • Geographical Science • Geographical Information Science • Human Anatomy • Human Physiology • Immunology • Marine Biology • Mathematics • Microbiology • Neuroscience • Pharmacology • Physics • Plant Science • Psychology • Statistics • Zoology

## Program features

★ Gain real-world experience in solving environment challenges by conducting fieldwork in locations such as the Great Barrier Reef, Fraser Island, national parks and outback Queensland.

★ Our science academics have won some of Australia's highest scientific accolades, including three Eureka prizes, two Fenner Medals from the Australian Academy of Science and over 20 Fellowships of the Australian Academy of Science.

★ The Bachelor of Science is popular both as a pathway to medicine, or as a way to improve your entry rank for programs including engineering, veterinary science, or pharmacy.

## Career opportunities

Graduates work in research organisations, government agencies, hospitals and health, industry, environmental and wildlife conservation authorities, universities, and secondary schools (with further study).

## More information

Visit [future-students.uq.edu.au](http://future-students.uq.edu.au) or scan the QR code.

“My UQ degree gave me a mathematical foundation for meteorology, which has been really invaluable in my role as a weather forecaster for the Bureau of Meteorology. There are some seriously big partial differential equations in atmospheric dynamics and my main responsibilities are issuing seven-day forecasts for the public and routine short-term and specialised forecasts for the aviation industry. What I found most beneficial about my program was the staff and student interactions. It was really easy to make friends with older students and lecturers so it was always easy to get help and advice for those willing to learn.”

## Matthew Marshall

Bachelor of Science (Honours)  
Meteorologist,  
Bureau of Meteorology

# Applying to UQ

Follow these steps to apply to UQ and start on the path to your future.

## STEP

# 1

Choose

### Choose your program

- Read your program options (see pages 24-63)
- Visit [future-students.uq.edu.au](https://future-students.uq.edu.au).

**TIP:** Check that you meet eligibility, merit and other entry requirements and meet any specific program deadlines.

A range of study area guides and other UQ publications can help you choose the right program.

[future-students.uq.edu.au/publications-and-forms](https://future-students.uq.edu.au/publications-and-forms)

## STEP

# 2

Apply

### Apply via QTAC

Apply for admission to UQ undergraduate programs through the Queensland Tertiary Admissions Centre (QTAC). The QTAC website explains how to apply and the entry requirements you need.

List up to six program preferences. You'll only receive one offer – for the highest preference you're eligible for. Place programs in order of preference, placing your dream program first and your back-up options next.

## STEP

# 3

Accept

### Accept your offer

1. Log in by clicking 'Applications' and then 'Apply or Log In' at [qtac.edu.au](https://qtac.edu.au).
2. Select 'Log In' and enter your details.
3. Select the Accept offer option.
4. Accept your offer.
5. Activate your student account.
6. Go to [my.uq.edu.au/starting-at-uq](https://my.uq.edu.au/starting-at-uq) and follow the instructions.
7. Get excited about starting at UQ.

## STEP

# 4

### Enrol

#### Enrol in courses

1. Access your program rules, course list and other helpful information by logging in to [my.uq.edu.au/starting-at-uq](https://my.uq.edu.au/starting-at-uq).
2. Choose your courses at [my.uq.edu.au/programs-courses](https://my.uq.edu.au/programs-courses).
3. Enrol online at [sinet.uq.edu.au](https://sinet.uq.edu.au).
4. Select preferred class times via My Timetable (in my.UQ portal)
5. Pay fees (see pages 78–79).

## STEP

# 5

### Prepare

#### Prepare for Week 1

- Complete the steps on the Starting at UQ website. [my.uq.edu.au/starting-at-uq](https://my.uq.edu.au/starting-at-uq).
- Attend a Getting Started session.
- Check if you need to attend any program sessions before Orientation Week.
- Pick up your student ID card after you have enrolled.
- Get answers to any remaining questions before classes start by emailing [starting@uq.edu.au](mailto:starting@uq.edu.au).

## STEP

# 6

### Let's go!

#### Get ready for the ultimate university experience

- Prep Week – jump-start your university journey.
- Orientation Week – get your first taste of #uqlife with fun-filled events
- Connect Week – join the social scene, make new friends and link in with your academic circle.
- Culture Week – experience UQ's diverse culture and global networks.
- Success Week – learn about the resources available to help you succeed at UQ.
- Instagram (@uniofqld) or Snapchat (uniofqld) your UQ experience to your friends.

# Admission information

## What you need for admission to UQ

To gain admission to undergraduate programs, you must satisfy two requirements:

- eligibility (satisfy subject prerequisites and other requirements), and
- merit (have a sufficient entry score).

This is a snapshot of common admission information, however it is not exhaustive. For further information, visit [bit.ly/uq-admission-information](https://bit.ly/uq-admission-information)

## What is eligibility?

All bachelor's programs at UQ have English as a subject prerequisite. Many programs also have mathematics and/or science subject prerequisites. Subject prerequisites are the assumed knowledge requirements of a program. They can be found in the tables for each program between pages 24–63.

You need to satisfy a program's subject prerequisites to be considered for admission. For dual programs, you have to satisfy subject prerequisites for both programs.

Subject prerequisites are usually Queensland Year 12 General subjects, but can also be met through subject equivalents, bridging courses or tertiary courses. For interstate, International Baccalaureate (IB) and New Zealand equivalencies, see the table on page 70.

Some programs use more than subject prerequisites or entry scores; additional tests, interviews or auditions may be required. Carefully check each program for specific requirements.

## English language requirements

If English is not your first language, you will need to provide evidence of English proficiency. You can do this by passing Queensland Year 12 English (or equivalent) or meeting the required proficiency test and test score for your desired program. To discuss English proficiency requirements, contact UQ Admissions.

## What is merit?

Once you satisfy a program's subject prerequisites and any other requirements, admission is based on your ATAR or selection rank. These range from 0–99.95 (with 99.95 being the highest attainable). ATARs are allocated to applicants who are current Australian Year 12 students and selection ranks are allocated to all other applicants. These scores help us compare different types of study, experience and qualifications to be assessed and compared against each other for entry to a particular program.

Each program page has three entry scores:

- Australian Tertiary Admission Rank (ATAR) – 2021 eligible School Leavers were allocated an ATAR
- Selection rank – Students who have completed university-level study, VET study, bridging study or work experience are allocated a selection rank
- International Baccalaureate (IB) – Students who completed an IB in 2021 received an IB score

In previous intakes, Queensland School Leavers competed for a place based on their OP, and only interstate School Leavers received an ATAR.

**Once you have completed one year (16 units at UQ or equivalent load at another university) of full-time bachelor's-level (or higher) study, your selection rank will be based solely on this higher education study.**

# Admission pathways

If your entry score isn't what you expected, or if you don't meet a program's entry requirements, a number of pathway options are available.

## Bridging study

Successfully completing an approved bridging program is another pathway to university study. Approved bridging studies equip students with an appropriate level of knowledge in the subject areas deemed necessary to undertake tertiary study successfully.

You can use a bridging program to:

- satisfy a subject prerequisite
- get an entry rank
- gain foundational knowledge in a selected area, and
- prepare for future tertiary study.

If you have completed less than one full year of recognised bachelor's-level (or higher) study, bridging study cannot be used to derive an entry rank but can be used to meet prerequisite subjects.

## Certificate IV in Adult Tertiary Preparation

This course offers preparatory studies designed for adult learners. Subjects are generally studied on campus and conducted over a 12-month period. UQ College also offers a flexible online program.

- Language and Learning – 2 units (English)
- General Mathematics – 2 units (General Mathematics)
- Pure Mathematics – 3 units (Mathematical Methods)
- Biology – 2 units (Biology)
- Chemistry – 3 units (Chemistry)
- Physics – 3 units (Physics)

Minimum grade required: Pass, JP or J1.

Maximum selection rank attainable: 91.00 (in combination with Special Tertiary Admissions Test (STAT), maximum selection rank = 98.95).

## UQ College Tertiary Preparation Program

This program is a foundation pathway delivered over three terms (32 weeks) that enables you to learn the core academic skills required for entry into undergraduate study at The University of Queensland. The program is delivered in person at the St Lucia Campus and will help you to meet both subject prerequisites and an entry rank.

Applications open in July of each year and you can commence your pathway in February the following year.

Maximum selection rank attainable: 93.00 (completion of 5 units; (two core and three electives from a selection of 12 may derive a selection rank; contact UQ Admissions for advice).

Core Prerequisite Subjects:

- Academic English
- General Mathematics
- Mathematical Methods

Elective Prerequisites:

- Biology
- Chemistry
- Physics

Minimum grade required: 4

## Unilearn

Unilearn subjects can be used to meet subject prerequisites only. The subjects are self-paced distance education modules based on Year 12 level subjects, delivered online through Open Universities Australia.

- Senior English (English)
- Introductory Mathematics (General Mathematics)
- Senior Mathematics (Mathematical Methods)
- Biology (Biological Science)
- Chemistry (Chemistry)
- Physics (Physics)

Minimum grade required: Grade of Pass.

## Learning Network Queensland

Delivered through Open Universities Australia  
07 3826 8392

[unilearn.net.au](http://unilearn.net.au)

To ensure you are choosing the Admission Pathway that's right for you and meets the requirements for your chosen program, contact UQ Admissions.  
[admissions@uq.edu.au](mailto:admissions@uq.edu.au)  
07 3365 2203  
[bit.ly/admission-pathways](http://bit.ly/admission-pathways)

## Intensive bridging courses

UQ College delivers intensive subjects in Mathematical Methods, Chemistry, Physics and Biology (November/December – four weeks). Some other providers and institutions also provide Intensive summer bridging options. Contact UQ Admissions for information on approved providers.

## Special Tertiary Admissions Test (STAT) and employment experience

You may be eligible for other admission pathways if you:

- didn't complete Year 12
- didn't achieve the required entry score for your preferred program, or
- if you are a mature-aged applicant (18 or above and not currently completing Year 12).

Two options are available:

- Special Tertiary Admissions Test (STAT)
- employment experience.

This pathway isn't suitable for applicants who have completed at least one full-time year of bachelor's-level (or higher) study, or for applicants who are completing Year 12 in the year of tertiary application.

## Tertiary study pathway

This pathway involves studying an alternative program to improve your entry score or meet subject prerequisites. Please note that once you have attempted one year of full-time study, we will no longer use your Year 12 results or any other qualification. We recommend that you complete one full year (16 units) of bachelor's degree study as a pathway to higher-demand programs (such as dentistry or veterinary science), as the entry ranks allocated to bachelor's degree studies totalling less than one full-time year are capped. Depending on your academic performance, your new entry rank could be higher than your previous rank. For more information on how to improve your entry score, contact UQ Admissions.

[future-students.uq.edu.au/tertiary-study-pathway](http://future-students.uq.edu.au/tertiary-study-pathway)

# Admission schemes

UQ has a range of admission schemes to encourage people to apply for certain programs or for tertiary study.

Many admission schemes use adjustment factors to boost your selection rank. Common types of adjustment factors include:

- subject adjustments
- location adjustments
- equity adjustments.

The maximum number of adjustments you can achieve across all schemes is capped at five.

## UQ Subject Incentive Scheme

All Year 12 students are eligible to apply for the UQ Subject Incentive Scheme, which provides up to five adjustments towards your selection rank for:

- passing an approved language other than English subject, or equivalent as determined by UQ (two adjustments)

- passing Queensland Senior Specialist Mathematics, or equivalent as determined by UQ (two adjustments)
- successfully completing a university-level enrichment course concurrently with your senior program, such as the Enhanced Studies Program (one adjustment).

Please note that adjustments are not added onto ATAR scores: each ATAR score is converted to a selection rank, and adjustments are added to these. Students are then assessed based on their new rank.

[bit.ly/subj-incentive-scheme](https://bit.ly/subj-incentive-scheme)

## Rural Access Scheme

If you are an applicant from an Australian rural or regional area, UQ supports you by boosting your entry score for a number of selected programs. Eligible applicants from Australian rural and regional areas can have two adjustments added to their selection rank for selected undergraduate programs. MD provisional entry applicants must apply for the Rural Access Scheme via QTAC no later than 30 September 2022.

[bit.ly/rural-access-scheme](https://bit.ly/rural-access-scheme)

## UQ Link Program

Prospective students who have experienced significant financial disadvantage may be eligible to receive five adjustments towards their selection rank to study at UQ, a \$3000 per year scholarship for up to three years\*, and access to a range of student support services.

To apply for this scholarship, you need to complete the Financial Hardship section of QTAC's Educational Access Scheme when submitting your QTAC application. This scheme is open to applicants who have not previously completed any tertiary study at bachelor's level or above.

[bit.ly/uq-link](https://bit.ly/uq-link)

\* ongoing eligibility conditions apply

### Aboriginal and Torres Strait Islander Admissions Pathway

If you identify as an Aboriginal and/or Torres Strait Islander person, you may be eligible to apply for the Aboriginal and Torres Strait Islander Admissions Pathway for a place at UQ. This pathway considers your previous formal education and a range of factors such as your employment history, academic abilities, personal interests and references.

[bit.ly/atsis-admissions-pathway](http://bit.ly/atsis-admissions-pathway)

### QTAC Educational Access Scheme

If you have experienced difficult circumstances that have negatively impacted your studies, you may apply for special consideration through the Educational Access Scheme (EAS), managed by QTAC. The five categories for consideration are:

- financial hardship
- home environment and responsibilities
- English language difficulty
- personal illness and disability
- school environment.

Applications for the scheme are assessed by QTAC. Depending on your individual situation, QTAC may adjust your selection rank on behalf of the University. For entry to UQ, your selection rank may be adjusted to a maximum of four ranks.

[qtac.edu.au](http://qtac.edu.au)

### Undergraduate Law Admissions Scheme

You may be eligible for this scheme if you are applying for the Bachelor of Laws (Honours) or a law dual program, and are from an educationally disadvantaged and/or culturally diverse background.

[bit.ly/ug-law-admissions-scheme](http://bit.ly/ug-law-admissions-scheme)

When you apply through QTAC, adjustments are automatically applied to your UQ preferences. Exceptions may apply – please contact UQ Admissions for advice.

[future-students.uq.edu.au/apply/undergraduate/admission-schemes](http://future-students.uq.edu.au/apply/undergraduate/admission-schemes)

## Things you need to know

### Deferring / gap year

If you wish to defer (i.e. delay starting a program), you should respond to QTAC by the offer response date with the defer option. Deferment of up to 12 months is automatically granted for most undergraduate programs. UQ will then email you in March advising you of the enrolment process.

You cannot defer a mid-year entry offer.

If you wish to postpone starting until Semester 2, you should contact UQ Admissions to confirm if this option is available to you.

You are not permitted to undertake study at bachelor's level or higher while on deferment or you will lose your place.

### Mid-year entry

QTAC offers a year-round application process allowing applicants to select programs commencing in Semester 1 and Semester 2 on a single application.

### Changing universities

If you are currently studying at another university and want to apply to UQ, apply through QTAC for a place in a UQ program.

### Credit for previous study

You may be eligible for credit towards your UQ program if you have undertaken previous studies, including some International Baccalaureate subjects. Once you have been offered a place and enrolled in a UQ program, please forward a request for credit to the relevant faculty.

[future-students.uq.edu.au/admissions/undergraduate/check-credit-eligibility](http://future-students.uq.edu.au/admissions/undergraduate/check-credit-eligibility)

### Diploma in Languages

Once you have received your bachelor's degree offer from QTAC, you can apply directly to UQ for the concurrent Diploma in Languages (see page 22).

# Equivalent prerequisites and entry scores

The tables below show recent equivalents to Queensland senior subjects and entry scores for other Australian states. Please note that the list of equivalents is not exhaustive.

## Prerequisite subject equivalents – interstate, International Baccalaureate and New Zealand

QLD*	ACT	NSW	SA/NT	TAS
Min Grade of C in Units 3 and 4	124+ (Scale score)	Performance Band = 3+	C+ or better (from Publicly Examined Subjects [PES] only)	SA or better (Exit level of achievement)

## International Baccalaureate

Results in the IB Diploma are converted to a common national measure of Year 12 student achievement, called a 'combined rank', before being assigned a QTAC selection rank for Queensland tertiary entrance purposes. Combined ranks are an indicator of how well a student has performed in relation to the Australian Year 12 cohort, expressed in a scale extending from 99.95 (maximum) to 30.00.

For IB Diplomas completed since 2007, an annually revised conversion is used, so conversions may fluctuate from year to year.

To see the current IB score to QLD rank conversion tables, see [bit.ly/ib-conversion-tables](https://bit.ly/ib-conversion-tables) or scan the QR code.

QLD*	VIC	WA	IB	NZ
Min Grade of C in Units 3 and 4	26 or better (Study score)	51+ (Subject scaled mark)	HL: 3 or better SL: 4 or better	2.0 (Achieved or better at NCEA Level 3)
English or English as an Additional Language or Literature or English & Literature Extension	<ul style="list-style-type: none"> <li>English</li> <li>English Language</li> <li>Literature</li> <li>English (EAL or ESL)</li> </ul>	<ul style="list-style-type: none"> <li>WACE English</li> <li>English (Stage 2 or 3)</li> <li>English for ESL Students</li> <li>English Literature</li> <li>English Course</li> <li>English as an Additional Language or Dialect</li> </ul>	<ul style="list-style-type: none"> <li>English B (HL or SL)</li> <li>English A: Literature (HL or SL)</li> <li>English A: Language &amp; Literature (HL or SL)</li> </ul>	<ul style="list-style-type: none"> <li>English</li> </ul>

This list is not exhaustive; please contact UQ Admissions on 07 3365 2203 or at [admissions@uq.edu.au](mailto:admissions@uq.edu.au) to confirm subject equivalents for subjects that do not appear in the table above.

Tables this page © 2020 Queensland Tertiary Admissions Centre Ltd

# Attainable selection rank

If you have undertaken prior study or employment, you may be able to convert this to a selection rank. These tables provide a guide for converting previous study and/or qualifications.

To ensure you are choosing the Admission Pathway that's right for you and meets the requirements for your chosen program, contact UQ Admissions.

[admissions@uq.edu.au](mailto:admissions@uq.edu.au)  
07 3365 2203

## Tertiary studies

Bachelor or higher level study of less than one full-time equivalent year (1 FTE)\* can be used to derive a selection rank. However, the selection ranks assigned to these studies are usually less generous and capped. Therefore, shorter duration of tertiary studies is insufficient to gain entry to the more competitive programs (for example, Bachelor of Veterinary Science (Hons)).

For multiple attempts of tertiary study equivalent to less than one full-time year, UQ derives selection ranks from the total cumulative GPA. When combining, if the cumulative duration totals less than one full-time year, the selection rank derived will only be used if it advantages the applicant.

The following table shows the maximum selection ranks attainable for studies that are **less than one full-time year** in duration:

Bachelor Degree <sup>a</sup>	Maximum attainable selection rank
1 semester part-time or more	85.95
1 semester full-time or more	88.95
1.5 semesters full-time or more	94.95

The maximum selection rank attainable for the completion of **one full-time year or more** of bachelor level study is 99.90. Once you have completed the equivalent of one full-time year of bachelor or higher level study, you will be assigned a selection rank solely on the basis of this study and all other qualification at a lower level will be disregarded.

If you have completed at least one full-time year of tertiary studies, please refer to [future-students.uq.edu.au/tertiary-study-pathway](https://future-students.uq.edu.au/tertiary-study-pathway).

When assigning selection ranks to one full year or more of tertiary study, we can allocate more generous rankings to studies undertaken at UQ. Students wishing to improve on a rank obtained from another institution may wish to consider completing one full year (16 units at UQ) of bachelor or higher studies at UQ.

To view the latest conversion schedule from GPA to UQ selection rank, see [bit.ly/tertiary-selection-rank](https://bit.ly/tertiary-selection-rank) or scan the QR code.

Where students have completed study at both UQ and other institutions (totalling one full year or more of study), the GPAs are not combined together to calculate the rank. Contact UQ Admissions for further advice and clarification.

## Certificate and diploma studies

Completed Australian Qualification Framework (AQF) certificate or diploma qualifications may be considered for tertiary admission and can derive a selection rank. Competency-based studies can be combined with the results of the Special Tertiary Admission Test (STAT) to raise the base selection rank. The new rank will be allocated using the overall score from the STAT and the level of study. The following table shows the maximum ranks attainable for competency-based study:

Completed qualifications	Maximum Selection Rank
Certificate III (competency-based)	68.00
Certificate III (competency-based) + STAT	82.95
Certificate IV (competency-based)	74.00
Certificate IV (competency-based) + STAT	89.95
AQF Diploma (competency-based)	82.00
AQF Diploma (competency-based) + STAT	91.95
AQF Advanced Diploma (competency-based)	91.00
AQF Advanced Diploma (competency-based) + STAT	98.95

Note: All subjects must be competent. The list of qualifications is not exhaustive. Qualifications assessed using a graded marking system will be allocated a selection rank based on the grade point average (GPA) the student achieved. Please contact Admissions for advice.

Note: Applicants who complete Year 12 in 2022 cannot use Performing Arts or VET qualifications (e.g. Certificate III, Certificate IV or Diploma) to derive a selection rank for admission in Semester 1 2023.

## STAT and employment experience

STAT and employment experience enables

applicants to apply on the basis of their life skills and abilities instead of formal secondary or academic qualifications and is commonly referred to as 'mature age entry'. There are no separate sub-quotas for secondary, tertiary or mature age applications as all applicants must satisfy the same entry requirements.

STAT and employment experience admissions pathways are available to applicants who are 18 years or above, not currently completing high school and have not completed one full year of bachelor or higher level studies.

These admissions pathways consist of the Special Tertiary Admission Test (two-hour multiple choice aptitude test), paid employment experience and/or other professional qualifications. Please refer to [future-students.uq.edu.au/apply/undergraduate/admission-pathways](https://future-students.uq.edu.au/apply/undergraduate/admission-pathways).

STAT/Employment/Professional Qualifications	Maximum attainable selection rank
STAT (over 18 years)	88.00
Employment	Difficult to achieve high ranks and assessed by QTAC
Professional Qualifications (eg. pre-AQF trades, Music, Armed services)	88.00

# Apply for a scholarship

Make your UQ experience more affordable with the support of a scholarship. You may not think you're eligible, but you might be surprised!

"Getting the scholarship definitely eased the financial stress of moving to Brisbane to begin my tertiary studies. I felt like a huge weight was lifted from my shoulders. I'm able to concentrate on my studies a bit more and put that extra effort into getting the results I want."

## **Nathan Sagigi**

Bachelor of Clinical Exercise Physiology student and Geoffrey Huey Sattler Indigenous Scholarship recipient

## University-wide scholarships

---

UQ has a range of scholarships designed to attract, reward and support outstanding students from all walks of life. Our scholarships develop and encourage tomorrow's leaders and offer support to students who might not otherwise be able to attend university.

If you're completing Year 12 in 2022, or you completed Year 12 in 2021 and are on a gap year, you may be eligible to apply for a scholarship.

### UQ Academic Scholarships Program

The UQ Academic Scholarships scheme offers two flagship undergraduate scholarships: UQ Vice-Chancellor's Scholarships and UQ Excellence Scholarships.

### Equity scholarships

UQ strongly believes all students deserve equal access to education. Equity scholarships are designed to support students from low socio-economic, disadvantaged or under-represented backgrounds.

### Study area scholarships

Many scholarships are offered for certain academic disciplines. These scholarships might be for students enrolled in a specific degree, school, or faculty, or for students who are researching or studying a particular topic.

[scholarships.uq.edu.au](https://scholarships.uq.edu.au)

### Employability

UQ offers a variety of grants and loans to participate in a range of enriching international and domestic experiences that will enhance your employability.

[employability.uq.edu.au/financial-support](https://employability.uq.edu.au/financial-support)

## Sporting

---

### Elite athlete support

UQ is an elite athlete-friendly university, which supports over 200 elite-level student-athletes to manage their sport and studies. Dedicated UQ Sport staff, in partnership with UQ, provide academic liaison support to negotiate flexible options for enrolment, assessment and course-related needs.

[uqsport.com.au/scholarships](https://uqsport.com.au/scholarships)

### Get in early

Scholarship applications close at different times throughout 2022 – plan your applications and apply early so you don't miss out!

[scholarships.uq.edu.au](https://scholarships.uq.edu.au)

# Setting you up for success

UQ provides a range of services to empower you to achieve more.

## Study services

Whether it's managing your studies, navigating orientation or changing your program, our student support services can provide you with the advice and support to make the most of your time at UQ.

Every campus has services for students with support provided for everything from study and learning assistance, to exam prep and workshops. You can find all the support you need from day one right through to your final year. Visit the Student Services website for more information on:

- Peer-Assisted Study Sessions (PASS)
- learning assistance
- workshops on study skills and personal development.

[my.uq.edu.au/information-and-services/student-support/study-skills](https://my.uq.edu.au/information-and-services/student-support/study-skills)

### Library

At the library you'll have access to millions of physical and digital resources and friendly staff to help you navigate them.

[library.uq.edu.au](https://library.uq.edu.au)

## Additional services

### Student advice

Our team of Student Advisers can help you with a wide range of services and provide a professional and confidential service. This includes support for both domestic and international students, diversity and inclusion matters, welfare and wellbeing support. Our Student Advisers can help you understand UQ policies and procedures, adjust to life at UQ and Brisbane, support you with personal issues, and assist where your studies are impacted by your mental health, an injury, illness or disability.

[uq.edu.au/student-services/disability](https://uq.edu.au/student-services/disability)

[uq.edu.au/student-services/wellbeing](https://uq.edu.au/student-services/wellbeing)

### Health services

UQ Health Care is a general practice specialising in the physical and mental wellbeing of students and staff. Additional services include sexual health, travel medicine, immunisations and skin checks. Find UQ Health Care at the UQ St Lucia Medical Centre and the UQ Gatton Medical Centre.

[uqhealthcare.org.au](https://uqhealthcare.org.au)

## Student advocacy and support

Student Advocacy and Support is a free, independent, short-term support service. We can provide you with assistance on matters relating to education, migration, welfare and wellbeing, job preparation and legal services.

[uqu.com.au/supporting-u](https://uqu.com.au/supporting-u)

[uqu.com.au/representing-u/uqu-collectives](https://uqu.com.au/representing-u/uqu-collectives)

### LGBTIAQ+

The UQ Ally Network is an award-winning program that provides a visible network of well-informed staff who create a safe, welcoming and inclusive space for sex-, gender- and sexuality-diverse people at UQ and in the broader community.

[bit.ly/uq-ally](https://bit.ly/uq-ally)

### Spiritual practice

The UQ Multi-faith Chaplaincy is an inclusive and welcoming space for students, staff and the community to share faith, traditions and spiritual practices. We have a number of chaplains who provide pastoral care, support, spiritual conversations, learning and events.

[my.uq.edu.au/information-and-services/student-support/religion](https://my.uq.edu.au/information-and-services/student-support/religion)

# UQ Open Day

St Lucia **7 August 2022**

Gatton **21 August 2022**

## Aboriginal and Torres Strait Islander Studies (ATSIS) Unit

The ATSIS Unit supports prospective and current students from application through to graduation and beyond. Indigenous students at UQ can access:

- tailored admission pathways for study at UQ
- world-class learning facilities, including spaces specifically for Aboriginal and/or Torres Strait Islander students
- a fun and engaging program of social and cultural activities
- professional development, work experience and career opportunities
- learning support and tutoring
- advice on scholarships and financial aid
- student services tailored specifically to your needs.

[atsis.uq.edu.au](https://atsis.uq.edu.au)

Open Day is the perfect opportunity to experience UQ.

Find out about programs and courses, explore the campus and facilities, meet staff and current students, and enjoy the range of fun activities at this free event.

**Visit the website**

[future-students.uq.edu.au/open-day](https://future-students.uq.edu.au/open-day)

# UQ Living

## Accommodation for every journey

Beyond your books and classes, where you choose to live is also part of the learning journey.

Whether you want to experience UQ living on campus or in accommodation outside of university, we're here to help curious minds feel right at home.

## On-campus living

Welcome to a truly immersive university experience. Join us on campus and connect to a community that centres around you and your education.

## UQ residential colleges

Make lifelong friendships in a welcoming student community. Our 10 residential colleges provide a place where you can make memories and connections that stay with you for life.

Living in a UQ college also means access to:

- a welcoming, collegial community
- 24/7 onsite staff support and pastoral care
- well-established academic communities and alumni networks
- inter-college sporting, cultural, community and social activities
- outstanding leadership, career mentoring and wellbeing programs.

With their unique and historical connection to the University, UQ colleges have an ideal on-campus home for everyone.

## Gatton Halls of Residence

If you are studying at Gatton, stay in the Gatton Halls of Residence. The Halls have provided our students with a home since 1897. With 436 rooms, there's a place for you at Gatton.

## UQ Residences

Kev Carmody House is UQ's brand new student residence exclusively for UQ students.

Located in the heart of our St Lucia campus, Kev Carmody House has the convenience of being just minutes away from classes, and features:

- 610 light-filled and spacious one-bedroom rooms with ensuites
- a wide range of social areas to cook and catch up with new friends
- world-class facilities and a stunning rooftop pool deck
- an engaging student life program.

More than a place to study, Kev Carmody House is a place where you can belong and thrive in a vibrant community to call your own.

Students enjoy some downtime at a UQ college

Spacious living and study room at Kev Carmody House

## Off-campus living

From city living to suburban share houses, you'll find a place to stay in no time.

## Purpose-built student living

Join students from universities all across Brisbane at one of our recommended student accommodation providers.

A variety of studio, single-bedroom and twin share options is available.

## Private housing

Would you like to branch out from the uni community? You might like to share a house or apartment with other people. Brisbane's rental market features

everything from low-cost share houses to high-rise apartments, while Gatton offers a range of affordable share houses. To find a room, apartment or house, first check our UQ Rentals database. There are also private rental accommodation websites and you can rent directly from real estate agents. [my.uq.edu.au/student-support/accommodation](https://my.uq.edu.au/student-support/accommodation)

## UQ Accommodation team

Our UQ Accommodation team can help you find your ideal home. The team offers free information sessions before classes start, and can also give you advice, check documentation for you, and direct you to useful material online.

[accommodation.uq.edu.au](https://accommodation.uq.edu.au)

## Guaranteed accommodation

When you apply through UQ Guaranteed Accommodation, you're able to secure your accommodation prior to arriving in Brisbane and commencing studies at UQ.

The UQ Residential Colleges (on campus) and UQ Approved Providers

(off campus) set aside a guaranteed number of rooms so you're able to compare, choose and secure the most appropriate accommodation easily. Find out more at:

[bit.ly/guaranteedaccommodation](https://bit.ly/guaranteedaccommodation)

## Fees

Fees for 2023 are expected to be available from November 2022.

Before you enrol, faculty Academic Advisers can help you develop a study plan.

[my.uq.edu.au/fee-schedules](https://my.uq.edu.au/fee-schedules)

## It all adds up!

Don't forget to budget for accommodation, books, study materials and transport.

*Insider Guides* provides a helpful online Cost of Living Calculator to estimate your weekly, monthly and yearly living costs.

# Plan your finances

University is a valuable investment in your future. Knowing what it costs will help you manage your money.

## Fees and costs

### Course fees and student contributions

Most undergraduate places for domestic students at UQ are funded partly by the Australian Government (Commonwealth support) and partly by you (student contribution). You need a Unique Student Identifier (USI) to obtain a Commonwealth-supported place.

[usi.gov.au](http://usi.gov.au)

Fees are charged according to the courses you choose, not the program you're enrolled in, so it's not possible to publish a fixed fee for a program. Because most students can choose different electives during their program, costs will vary.

However, indicative annual fees are listed with each program on our Future Students website to help you plan your budget.

If you're an Australian or New Zealand citizen, or an Australian permanent humanitarian visa holder and have a Commonwealth-supported place, you may also qualify for the Higher Education Loan Program (HELP) to defer payment of your student contribution and Student Services and Amenities Fee (SSAF). You will need to apply for a tax file number, if you don't already have one, in order to obtain a HELP loan.

[ato.gov.au](http://ato.gov.au)

International students pay full tuition fees.

If you have a Commonwealth-supported place, your student contribution amount depends on the fee band level of the courses you choose (see table above right).

[future-students.uq.edu.au/study/programs](http://future-students.uq.edu.au/study/programs)

### Commonwealth-supported fee bands

BAND	AREA OF STUDY	ANNUAL STUDENT CONTRIBUTION*
4	Law, accounting, administration, economics, commerce, communications, society and culture	\$14,630
3	Dentistry, medicine, veterinary science	\$11,401
2	Other health, allied health, built environment, computing, engineering, surveying, science, environmental studies, pathology, visual and performing arts, professional pathway psychology, professional pathway social work	\$8,021
1	Agriculture, English, mathematics, education, clinical psychology, Indigenous and foreign languages, nursing, statistics	\$3,985

\*2022 figures only, based on a full-time (16 unit) workload; figures indexed annually

### Monthly cost of living

	STUDENT LIVING IN ON-CAMPUS COLLEGE	STUDENT LIVING OFF-CAMPUS / STUDENT ACCOMMODATION
Rent	\$2,000-\$2,800	\$480-\$1,760
Utilities (gas, electricity, water)	included in rent	\$150-\$175
Food	included in rent	\$320-\$600
Mobile phone / internet	\$80-\$120	\$80-\$120
Public transport	\$40	\$50-\$100
<b>TOTAL</b>	<b>\$2,120-\$2,960</b>	<b>\$1,080-\$2,755</b>

\*This table should be taken as a guide only. For the most accurate costs of living, visit [my.uq.edu.au/starting-at-uq/student-finances/budgeting](http://my.uq.edu.au/starting-at-uq/student-finances/budgeting)

### Student Services and Amenities Fee

The Student Services and Amenities Fee (SSAF) is a compulsory fee that is used to subsidise, support or fund non-academic services for students, such as support services, advocacy, study skills, career development and employability.

UQ levies the SSAF – which was capped at a maximum of \$313 for 2021 – according to whether you're an internal or external student, and full-time or part-time.

The fee is indexed annually.

[bit.ly/uq\\_ssaf](http://bit.ly/uq_ssaf)

### Keeping your costs down

- Investigate the financial support and fee payment options offered by Centrelink. [servicesaustralia.gov.au](http://servicesaustralia.gov.au)
- Explore the scholarships on offer (see page 72).
- Enjoy UQU's free and low-cost entertainment and activities, such as Morning Marmalade and Kampus Kitchen. [uqu.com.au](http://uqu.com.au)
- Get concessions and student discounts at participating retailers and institutions with your UQ student card.
